EXHIBITION MAKES WORLD'S RECORD IN PONY JUMPING

Visitors From Outside Points Were Largely in Evidence—Demonstration of Wool Weaving and Spinning Draws Attention—Industrial Exhibits in Main Building Big Feature.

VICTORIA RABBIT BREEDERS HAVE EXCELLENT SHOWING OF WINNERS

This year's British Columbia Agricultural Association's fair at the Willows continues to make records over previous exhibitions held in Victoria. Yesterday the world's jumping record for ponies 12.2 hands and under was beaten by Cornob, in the saddle class, and owned by P. S. Drever, of Cochrane, Alberta. The previous official record jump for horses in this class was 6 ft. 2 ins. and Mr. Drever's pony cleared the mark at 6 ft. 4 1/2 inches.

There was a large attendance at the fair grounds again yesterday afternoon, in spite of the weather not being quite as promising as the day previous. The grandstand was filled from start to finish during the races, and every event was eagerly watched during the performance. Business on the midway was, if anything, more brisk than on Wednesday, and some new attractions were added to those already there.

PROBLEM NEEDS CO-OPERATION

Premier Lloyd George States Government's Unemployment Relief Plans—Labor Party's Manifesto

LONDON, Sept. 22.—An official report issued tonight concerning a meeting held this afternoon at Gairloch between Mr. Lloyd George and the London borough laborites, says Mr. Lloyd George promised early consideration of the unemployment problem, but laid emphasis on the point that the central government could not shoulder the burden alone.

"Co-operation between the government and local authorities, manufacturers, traders, bankers and organized labor is essential," said the Prime Minister, "if we are to get to grips with the problem."

Mr. Lloyd George added that he was taking immediate steps in that direction. Parliament must not be criticised, however, and when it met, he said, he would make a statement on the whole problem.

In the meantime, the Prime Minister told the mayors, the cabinet committee was planning to assist seriously embarrassed boards of guardians to obtain loans with which to deal with unemployment.

The mayors in presenting their case, urged that the government shoulder the entire problem.

A manifesto just issued by the Labor party declares that the unemployment situation is a national problem, and requires a national policy to deal with it. The government's scheme of placing the main portion of the burden on local authorities, says the manifesto, is just, inadequate and indefensible, and must be abandoned in favor of much more generous assistance. If work is not provided for the unemployed, then provision for them must be made through adequate unemployment insurance bureau.

The suggestion is also made that the government should place orders for staple commodities for which there is a demand, at prices to be agreed upon after examination of the goods. It contends also that employers cannot expect to receive normal profits, and that prices should cover the bare cost of production. The manifesto further proposes that the government should export wool, textiles and agricultural machinery to needy European countries on credit.

PRICE OF BAR SILVER SUDDENLY ADVANCES

NEW YORK, Sept. 22.—An advance in the price of bar silver in London today, due mainly to the continuance of the demand from China and India, was met by an advance here to 48 1/4 cents an ounce. This is an increase of about 1 1/2 cents from yesterday's lowest quotation, 46 1/2 cents from that of September 15, and 1 1/2 cents more than the price quoted three weeks ago.

Silver mining operations in the United States, Canada, Mexico and South America have been virtually suspended for almost a year, and the present demand is being met mainly by stocks supplies piled up in the two preceding years.

FARMERS IN ENGLAND FIGHT FOR EMBARGO

LONDON, Sept. 22.—Intention on the part of the agricultural interests of England to continue the fight against the admission of Canadian cattle into Great Britain was strongly expressed again yesterday by Lord Bledisloe, chairman of the Federation of county agricultural committees and of the Government's central agricultural advisory council.

Lord Bledisloe said that the raising of the embargo, as recommended by the recent report, would strike a serious blow at livestock raising, which, owing to the embargo, had developed to be the backbone of the agricultural industry of the country.

BANKERS FROM OHIO TRAVEL TO CONVENTION

VANCOUVER, Sept. 22.—There was a sudden influx of wealth into the city this morning, when a party of some 150 bankers from Ohio arrived here en route to the American Bankers' Association convention at Los Angeles. Four special trains carried the party, most of the members of which have left for Victoria and Seattle.

The bankers were accompanied from the East by Mr. J. Bruce Walker, of the Dominion Government Publicity Department.

VETERAN ACTRESS IS CALLED BY DEATH

LONDON, Sept. 22.—The death is announced of Mrs. Charles Calvert, the actress. Mrs. Calvert was born in 1835, and went on the stage at the age of seven, playing with Mr. and Mrs. Charles Keah. In addition to having won fame in London and the provinces, Mrs. Calvert was well known on the American continent many years ago, where she played as a member of Edwin Booth's company and with Mrs. Langtry and Mary Anderson. She made pronounced successes in Shakespearean roles.

SEATS IN QUEBEC CAN BE CARRIED

Ministers From That Province Are Confident of Success—Labor Statement Expected From President Moore

OTTAWA, Sept. 22.—The new cabinet ministers from Quebec are confident the Government will carry more seats in that province than it generally expected. "All the ministers will be elected," said Hon. L. G. Bessie, Postmaster-General, today. "I am convinced that we shall do much better in Quebec than most people seem to think."

THREE RIVERS, Que., Sept. 22.—The announcement of a Federal election of Hon. L. P. Normand as President of the Privy Council and a member of the new Quebec Government, yesterday afternoon, upon the minister's 58th birthday, the new cabinet will likely run in the Three Rivers-St. Maurice constituency. This seat at present is held by Hon. Jacques Bessie, who today issued a denial of a rumor that he was going to the Senate. "I am ready to fight, and I am going to fight," he said. "I am not the kind that can be bought."

OTTAWA, Sept. 22.—Organized labor's desires in the light of the approaching general election are expected to be outlined by President Tom Moore, of the Dominion Trades and Labor Congress, at a meeting Sunday evening. Mr. Moore is leaving for Quebec next week, and on that account his pronouncement is regarded as important.

WINNIPEG, Sept. 22.—For the first time in the history of organized farmers in this province, the annual convention of the United Farmers of Manitoba will be held in Winnipeg on January 9. It was decided today at the closing of the "Klondike" convention, previously all conventions were held in Brandon.

Hon. T. A. Cresser, National Progressive leader, stressed the supreme necessity of choosing wise and sane men as Progressive candidates.

STORM IN MONTREAL CAUSES MUCH DAMAGE

MONTREAL, Sept. 22.—One man was seriously injured, several people were slightly hurt and much damage was done to property as the result of a violent storm which swept over Montreal during last night.

McGill Observatory stated that the wind had at one time attained a velocity of thirty miles an hour. Several yachts were swamped, and many swept up on the beach. The city lighting suffered severely.

WASHINGTON, Sept. 22.—Major-General Leonard Wood was formally nominated by President Harding today to be Governor-General of the Philippine Islands.

PREPARES REPLY FOR DE VALERA

Prime Minister Has Opinions of His Colleagues on Late Note From Dublin—May Answer This Week

CABINET MEETING WILL NOT BE HELD

Secretary of Dominion League Urges Against Action That Would Cause Rupture—Northern Parliament

LONDON, Sept. 22.—Although Mr. Lloyd George has practically recovered from his recent illness, it is understood that he will not return to London until about October 1. Pending his return, there will be no meeting of the entire Cabinet.

The Prime Minister is in close touch with all his colleagues regarding the reply of Eamon de Valera, and has personally consulted some of them, consequently he will be in a position to communicate the considered reply of the whole Government. It is the expectation here tonight that Mr. de Valera will receive the Prime Minister's answer at the end of this week, or at the beginning of next. It is felt the Irish situation will not thereafter develop with such rapidity as to necessitate another Cabinet meeting in Scotland.

Would Cause Rupture

DUBLIN, Sept. 22.—Capt. Seney Harrison, Secretary of the Irish Dominion League, declared today that he considered a demand from Mr. Lloyd George for a declaration of allegiance from the Sinn Féin leaders preliminary to a conference, would obviously cause a conclusive rupture of the negotiations for a solution of the Irish problem. Such a demand, he said, would be an insult against the Irishmen working for peace and the great mass of the British public.

The way out, Captain Harrison declared, was Dominion status for Ireland, which he hoped would speedily be discussed at a constitutional conference, when Mr. Lloyd George's offer could be elucidated and his conditions examined in detail.

Scene in Ulster Parliament

BELFAST, Sept. 22.—There was a scene in the Ulster Parliament this afternoon, when William Coote objected to the estimates, declaring that the government were acting as accessories in the future of a bribe to vote with the Government. "This is a very unfair and spiteful," Sir James Craig, the Premier, sharply rejoined. "God forbid that any Prime Minister or responsible person should dream for a moment at this time of party for Ulster that I or anybody else should be tied to a certain policy."

Mr. Coote declined to withdraw his remarks. He is a big Tyrone mill-owner, a grand master of the Orange Order, and member of the deputation to the United States.

Public Meeting

of the supporters of

The Hon. Dr. Tolmie

Federal Minister of Agriculture

will be held in

The Alexandra Hall

Courtney Street

on Monday the 26th

at 8 p.m.

For Organization Purposes

All interested in the election of Hon. Dr. Tolmie are cordially invited to attend.

WOUNDED STILL CRY TO RESCUE WORKERS FROM OPPAU DEBRIS

PEOPLE IN BRITAIN ARE SAVING MONEY

LONDON, Sept. 22.—Despite the fact that there is a great deal of unemployment throughout the country, the sale of savings certificates shows little falling off, the weekly sales remaining in the neighborhood of one million.

The total certificates sold since the inception of the scheme during the second year of the war, now amounts to 4,750,000,000. These figures indicate that the big wages paid to the munitions workers, etc., were not entirely dissipated through purchases of grand pianos, fur coats, or other extravaganzas.

Proclaiming Mohammedan Kingdom

PALLOHAT, British India, Sept. 22.—Sethikoya Tangal, of Kumaram-puthur, has proclaimed a Mohammedan kingdom and appointed himself governor. He is issuing notices warning his followers against looting and other excesses, asserting that the country is now theirs.

ALBANIAN FEUD VEXES ASSEMBLY

Discussion Urged by Lord Robert Cecil Is Deferred Until Monday—Messages Tell of Serbian Aggression

GENEVA, Sept. 22.—The Assembly of the League of Nations admitted three more small states, Latvia, Lithuania and Lithuania, to membership this morning, and in the afternoon the political committee took up the question of Albania and Serbia.

Lord Robert Cecil, representing South Africa, asked for immediate consideration of the Albanian-Serbian disturbance. This was opposed by H. A. L. Fisher, Great Britain; M. Reynold, France; and the Marquis de Imperia, Italy, who supported a motion to adjourn decision until the British, French and Italian Governments could procure detailed news concerning events in Albania.

Lord Robert insisted that the League could not procrastinate when a member appealed to it under circumstances such as those when Albania appealed to Geneva. Mr. Fisher thought that they would be able to have the information soon, and the question was put over on the understanding that the discussion would not be further delayed whether the information was forthcoming or not.

Further charges of Serbian aggression against Albania were made in messages received by Bishop Fennell, who represents Albania at the seat of the League here. An important detachment of Serbs, declared to be regulars disguised as Albanians, attacked the Albanians north of Merdita, near the Jugo-Slav border, on September 21, the dispatches asserted. Albanian forces, aided by the inhabitants of the district, repulsed the attack.

There has been a considerable exodus of Albanian residents from the region attacked by the Serbs, the message added. The dispatches received by Bishop Fennell were shown to members of the League Assembly this morning.

The messages, which were communicated to the officials of the League, declared the Serbs had been bombarding the town of Aras, Albania, continuously since Sunday.

Great Britain and her Dominions again came into conflict on the proposition of Hon. C. J. Doherty, of Canada, that the League take such steps as were necessary to settle the Ukrainian-Eastern Galicia question. Representatives of the Allied powers expressed the opinion that it was not in the power of the League to give advice to powers on questions with which the League itself was not competent to deal.

Lord Robert disagreed with the representatives of Britain, maintaining that the League was the supreme judge of its own competence, and could give advice where and when it liked. "The League can give advice on any question concerning the peace of the world," he said. The committee agreed with him and the question will come up again at the next meeting.

Take Joneco, of Roumania, on receiving the correspondents this afternoon and being asked regarding the Ukraine-Eastern Galicia question, said he thought these provinces should be attached to Poland. The Little Entente could not be considered as contrary to the fundamental principles of the League, because, he explained, the Little Entente was in pursuit of peace, not organized aggression.

"It would be impossible for countries like the 'Little Entente' to make war," he added, "even if they wanted to." An example was lately given of aggression, receiving what turned out to be a military lesson. The Little Entente has no offensive purpose, but merely desires to present a solid front against a possible aggressor."

Birmingham Action

BIRMINGHAM, Sept. 22.—The city council of Birmingham today instructed the Lord Mayor to convene a meeting of the mayors of the provincial cities to take concerted action in demanding that the Government assume responsibility for dealing with unemployment.

Fatal Storm in Portugal

LISBON, Sept. 22.—Numerous persons were killed or injured during a heavy thunderstorm, which swept Portugal yesterday.

Their Voices Heard by Soldiers Searching for Possible Survivors—Crater Where Destroyed Works Stood Is Slowly Filling With Water, Which May Stop Search

ELEVEN HUNDRED DEAD ESTIMATED

Four Thousand Wounded Seek Treatment at Hospitals—Oppau Is Obliterated and District Gives Picture of War Desolation—French Troops Render Material Aid

MANNHEIM, Germany, Sept. 22.—Desolation and ruins alone remain of what was once the flourishing town of Oppau. The town had 65,000 residents, of whom a majority of the men engaged in the chemical works were killed or wounded. Soldiers in French uniforms are clearing away the wreckage, picking up the dead and injured, as after a big battle.

Eleven hundred dead and four thousand injured is the latest estimate of the disaster yesterday, which caused more casualties in the Mannheim-Ludwigshafen district than the four years of the war. The desolation around Oppau equals anything seen at Verdun or in Flanders over a similar area. Hundreds of persons are digging in the ruins for the bodies of relatives or friends, nearly 1,000 of which have been recovered.

Thirty-six hours after the explosion, from the gaping, funnel-like hole where the Badische works formerly stood, there are still to be heard cries of the wounded, while the soldiers search for possible survivors.

The vast crater is slowly filling with water, and it may never be known how many victims found a grave there. All mutilated animals crawling amidst the twisted girders and blocks of concrete, are being put out of their misery. Firemen and relief workers continue to wear their gas masks.

French Assistance

The Third and Second army corps of the French army are in charge of the area, and every available French medical officer has arrived to co-operate with German physicians and surgeons. The French and German Red Crosses are co-operating. The German officials thanked General de Goutte for the prompt manner in which the French army came to the assistance of the victims.

The French high commissioner on the Rhine, M. Thirard, and his staff took charge of the relief work. From Frankenthal, four miles away, there was a steady exodus of the population, in which bandaged heads and arms were conspicuous. The village of Edigheim was badly wrecked, and it has not been possible to rescue some of the victims.

At Oppau whole families were wiped out. The Mannheim hospitals are crowded with injured, more than four hundred persons having suffered from the explosion here.

French Soldiers Killed

Several French soldiers were killed and many wounded when the French barracks at Eisenheim was wrecked. A train was blown off the tracks, plunging through the wooden sheds where the soldiers were quartered.

General de Goutte decorated a Moroccan soldier who rescued eleven wounded from the wreckage, the African being severely burned.

Experts who are inquiring into the cause said that the explosion probably occurred during tests of the compression of a new gas, the properties of which were insufficiently known.

Primarily, it is reported, the disaster was caused by the explosion of fifteen tons of ammonium sulphate used in the preparation of a new gas, in which the pressure of 300 atmospheres and temperature of between 350 and 700 degrees centigrade were needed.

Felt at Stuttgart

STUTTGART, Germany, Sept. 22.—The seismographs here in the university yesterday registered two distinct shocks, as of earthquakes. The tracings showed the great violence of the explosion at Stuttgart, 94 miles from the scene. The shocks occurred within half a second of each other.

Estimate of Damage
AMSTERDAM, Sept. 22.—The total damage from the explosion in the Badische Anilin Company's plant at Oppau yesterday is estimated at 150,000,000 marks, according to Berlin advices received here today.

Thirteen Kill Officers

RIVERSIDE, Calif., Sept. 22.—Two officers were killed and a third man dangerously wounded late today on the outskirts of Riverside, when they attempted to arrest two men accused of stealing hay. The two accused made good their escape.

Mr. Bessie's Report

WINNIPEG, Sept. 22.—Business conditions throughout Western Canada have improved to a great extent and are now in a very satisfactory condition, stated J. A. Bessie, Winnipeg, Dominion president of the Retail Merchants' Association, who returned here today after a trip as far West as Victoria.

Fatal Storm in Portugal

LISBON, Sept. 22.—Numerous persons were killed or injured during a heavy thunderstorm, which swept Portugal yesterday.

MR. KING STICKS TO NORTH YORK

Announces at Lemioux Banquet That He Will Run There—Quebec Liberal Leaders Declare for Protection

MONTREAL, Sept. 22.—Hon. W. L. Mackenzie King, leader of the opposition, will be a candidate in North York, Ont., in the forthcoming general election.

This was the declaration made by the Liberal leader at the Mount Royal Arena here tonight, when the twenty-fifth anniversary of the entry of Hon. Rodolphe Lemieux into the House of Commons was celebrated at a banquet at which some 1,000 guests were present. The occasion was taken to launch the Liberal campaign in this Province.

The features of the speeches were the declarations of Sir Lomer Gouin, Mr. Lemieux and Premier Taschereau on the need for protection in Canada, and they also urged a strong plea for rigid economy.

Premier Taschereau also made a plea for an alliance between Mr. King and Sir Lomer Gouin in the federal field, claiming that such an alliance would best serve the interests of the province, and that the Liberal party would be best served by the identification of his candidature with the province of Ontario. He added that he felt "my duty to the party permits me no other alternative than to allow my name to remain in nomination as that of the Liberal candidate for North York."

Mr. Lemieux, after reviewing his career in Parliament, with particular reference to the defeat of the Liberal party in 1911, spoke of recent conditions, and said that while the defeat of the present Government would be an easy matter, the work of restoring the country, with its enormous national debt, its railway problem, the economic crisis and the unemployment problem to face, would be nearly a superhuman task.

The financial question was one of the most important, and there was only one way to meet it, namely, by practicing the most rigid economy in the budget. Increased payments, extension of administration, and debts of honor contracted during the war could not be evaded, but all other expenses should be cut to the bone or suppressed.

In regard to the nationalization of the Grand Trunk system, Mr. Lemieux said that the proposal of Lord Dufferin seemed to him the only possible solution, with some revised terms. Though the cry of monopoly might be raised, he preferred monopoly to bankruptcy.

SEES VIOLATION OF LIQUOR LAW

Magistrate Shaw Imposes Fine of \$1,000 on Gold Seal Company at Vancouver—Will Be Appealed

VANCOUVER, B.C., Sept. 22.—Deciding that the Gold Seal Liquor Company, Limited, had violated the provisions of the Government Liquor Act by selling liquor in British Columbia, Magistrate Shaw this morning found the company guilty and imposed a fine of one thousand dollars. The decision will be appealed and the case taken to the higher courts.

The prosecution was launched on the charge that the company took orders here and delivered the goods from the Vancouver warehouse. The defence was that orders taken here were forwarded to Calgary and the office at the Alberta city, having accepted them, telegraphed them back to the Western Canada Liquor Company, a subsidiary company, here, which completed the transaction by delivering the goods. The company maintained that the orders were dealt with outside the province by this method.

Magistrate Shaw said he had gone into the cases cited by counsel and was forced to the conclusion that the sale was completed in British Columbia, contrary to the provisions of the act. He felt bound by the ruling which had been cited to him by the prosecution, and which held that the sale was made where the goods were appropriated. He will give his formal reasons in writing at a later date.

He did not think, as it was practically a lost case, with apparently no direct intention of violating the act, and as the defendants evidently felt they were justified in their procedure, that he should sentence them to impose the lower fine of \$1,000.

Other cases of having liquor for sale were stood over for a week.

SOVIET SHIFTS PART OF BURDEN

Finds Provision of Food for Factory Workers Too Heavy Task—Department Staffs Are Reduced

MOSCOW, Sept. 22.—Leon Trotsky, the Soviet war minister, who has just returned here from the Ukraine, addressed an enthusiastic meeting of the Moscow Soviet today. He said an ultimatum had been received from Poland on Monday in which the Poles had demanded fulfillment of the peace terms signed in Riga, but he said Russia could also make demands for fulfillment of the treaty, as Polish generals were supporting bandits in the Ukraine, and Poland itself in many ways was violating the provisions of the treaty.

Everywhere in Russia the Soviet government is unloading responsibilities it is unable to meet. Factory workers are being urged to obtain their own materials, run their own affairs and obtain their own food.

Departments are being reduced and large numbers of men are being thrown out of employment. Those who have been receiving food have been placed on reduced rations, and workers in nationalized factories are being paid in manufactured products or in money instead of food, so that the food responsibility of the government may be lightened.

It seems, however, that Russians, with the exception of the extreme communists, are pleased with the government's change of policy. RIGA, Sept. 22.—Rations for about ten days more for 1,000,000 Russian children left Riga yesterday, in the first all-American food train of forty cars. The train is bound for Moscow. The shipment consisted of 1,200 tons of balanced rations.

The Soviet government has declined to authorize the entrance into Russia of Dr. Edward W. Ryan, American Red Cross commissioner to the Baltic States, on the ground that he collaborated in the provisioning of the anti-Bolshevik army of General Yudenich, in 1919.

UNUSUAL LIBEL SUIT OPENS AT CHICAGO

CHICAGO, Sept. 22.—The ten million dollar libel suit of the City of Chicago against The Chicago Tribune opened today with counsel for the newspaper asking the court to uphold a general demurrer based on the constitutional right of the freedom of the press. If granted, the demurrer would have the effect of dismissing the suit on the grounds of ineffectual evidence.

The suit involves the question of whether a newspaper may be sued for libel to the extent of its total value and virtually be put out of business if the suit is won. The libel action grew out of statements made by The Tribune in the last city election, criticizing the manner in which municipal finances were handled. The city contends that the articles and editorial expressions on which the suit is based damaged the city's credit in disposing of municipal bonds.

How You Can Remove Every Trace of Hair

(Toilet Talks)
A stiff paste made with some powdered salicylic acid and water and applied on a hairy surface about 2 minutes will, when removed, take every trace of hair with it. The skin should then be washed to free it from the remaining salicylic acid. No harm can result from this treatment, but be sure it is salicylic acid you get and you will not be disappointed. Mix fresh as wanted. (Adv.)

MILL AT PARRY SOUND DESTROYED BY FIRE

PARRY SOUND, Ont., Sept. 22.—Fire destroyed the mill and lumber stacks of the Conger Lumber Company, as well as a large number of boats, canoes and bathhouses along the waterfront yesterday afternoon. For a time the fire itself was threatened with destruction, but the fire fighters. Besides the mill and machinery, the loss includes 8,000,000 feet of lumber, 6,000,000 pieces of lath, piles, slabs or other mill products, as well as barns, stables, dwellings, tramway and railway spur lines. The extent of the loss, which has not yet been estimated, is partly covered by insurance.

DISCUSSING QUESTION OF DUST EXPLOSIONS

WASHINGTON, Sept. 22.—The United States department of agriculture has again been called upon by Canadian Government officials to assist in cutting down the hazard from dust explosions in Dominion grain elevators. On an invitation of J. O. Smith, Dominion fire commissioner, the department will send J. Price, engineer in charge of the office of development work of the bureau of chemistry, to attend a conference at Ottawa, September 30, on the causes of dust explosions and the methods of construction and management of elevators to prevent their occurrence.

CREDITS QUEBEC WITH 2,550,000

Estimate of Population Made by Provincial Statistician—Unit of Representation in Parliament Will Change

QUEBEC, Sept. 22.—The population of Quebec Province has reached 2,550,000, according to conservative estimates made by Mr. C. Marquis, chief statistician of the province, based on reports which have been received up to now from various municipal censuses held throughout the province. The last municipal census, which was held in 1916, gave a population of 2,425,000, compared with 2,502,322 in 1911.

OTTAWA, Sept. 22.—Based on the estimate of 2,550,000 as the population of Quebec province is correct, the census bureau here is unable as yet to determine. Returns from Quebec have not yet been so far totaled as to permit a reliable estimate. But the figure has aroused keen interest here as giving a probable indication of the unit of representation which will be the basis of the next distribution of seats in the House of Commons.

The population of Quebec in 1911 was 2,405,773, and the unit of representation for the Dominion elections, according to formula at the session of the provincial executive of the United Farmers' Association, of Nova Scotia, held here. It was announced that the nomination of candidates would be left to the individual constituencies.

Hon. T. A. Crerar, leader of the National Progressive Party, is expected to visit Nova Scotia about the middle of October. It was stated today.

SIR JOHN SIMON TALKS ON CANADIAN VISIT

LONDON, Sept. 22.—Sir John Simon, on returning to England after his visit to Canada, expressed himself to the Canadian Press as full of enthusiasm for Canada and her people. His stay across the Atlantic had been delightful.

Sir John begged to be excused, however, when asked as to his views concerning the Canadian attitude toward the question of Irish appeals to the Privy Council in London. He said he did not feel disposed to discuss this subject.

It will be remembered that on his return from Canada last year, Lord Cave, of the Court of Appeal, gave an extensive account of his impressions in the "Quarter of Dominion" appeals to the Privy Council, and much lively discussion was thereby provoked.

ELECTION PROSPECTS IN MOTHER COUNTRY

LONDON, Sept. 22.—Although the party managers of the Coalition Government have issued a declaration apparently intended as a denial of the rumors of an impending general election in the United Kingdom, most observers regard the question of the probability of an early appeal to the country as being exactly where it has been for months.

CHECK YOUR BOWEL TROUBLES BY USING DR. FOWLER'S EXTRACT OF WILD STAWBERRY

When you are troubled with diarrhoea, dysentery, colic, cramps and pains in the stomach, cholera, cholera morbus, summer complaint, bloody flux, or any loosening of the bowels be sure and obtain a bottle of "Dr. Fowler's" and see how quickly it gives you relief. This wonderful remedy has been on the market for the past 75 years and we wish to warn you against accepting a substitute which may be dangerous to your health.

Mr. Samuel Buckler, Tatumagouche, N.B., writes: "While visiting in Western Canada I had a severe attack of diarrhoea. After trying many proprietary medicines I got no relief, but kept getting worse."

"I was advised to take Dr. Fowler's Extract of Wild Strawberry, and I lost no time in doing so. I cannot hesitate in recommending it most highly, for when I had not yet taken half the bottle I was relieved. I must say that if 'Dr. Fowler's' is given a fair trial it will show its good qualities."

The price of the genuine is 50c a bottle; put up only by The T. M. Burn Co., Limited, Toronto, Ont. (Adv.)

PREMIER LEAVES OTTAWA TONIGHT

Will Proceed to Portage la Prairie to Hold Campaign Meeting—Nomination in West York

OTTAWA, Sept. 22.—The Premier leaves Ottawa on Friday night for Toronto, where he will spend a few hours. He will then proceed to Portage la Prairie, where he speaks on Tuesday afternoon. Subsequently he will go to Montreal, speaking there on September 30. He will then make a two weeks' tour in the Maritime Provinces, returning to Ottawa before proceeding to Ontario and Western points. The Portage speech, in the strict sense of the word, will not be an important speech. It is authoritatively stated. The London speech, in which Mr. Meighen announced the impending dissolution of parliament and laid down the lines of government policy, is regarded in government circles as the first gun in the battle and the real opening of the campaign.

Hon. R. J. Manion, Minister of the Department of Soldiers' Civil Re-establishment in the reorganized Meighen cabinet, was sworn in today. Hon. R. B. Bennett, who is engaged in a court case in Calgary, may not arrive in Ottawa for some days.

Nomination in the West York by-election was not interrupted by the dissolution of parliament, but the by-election itself, of course, will not be held. Every effort, it is stated, is being made to fix the date of the general election, but considerable preliminaries have to be done.

"It may be taken for granted, however," was the official intimation this morning, "that election day will be well before Christmas and that there will be no interference with Christmas business."

TORONTO, Sept. 22.—A. J. Anderson, Conservative and Major E. L. Wright, Liberal, were today nominated for the by-election for the West York seat in the House of Commons. No official word having arrived at the impending dissolution of parliament and a general election, the returning officer accepted the nomination papers in due form and declared the nominations closed.

James M. Cameron, who had been mentioned as the U. F. O.-Labor candidate, said his supporters declared the nomination proceedings a mere formality in view of the prospective general nominations and elections, and he did not think it worth while putting in his appearance or his papers at the proceedings today.

WINNIPEG, Sept. 22.—J. R. Woods, worth, prominent in local labor circles, was last night nominated as conditional candidate of the Independent Labor Party to contest Centre Winnipeg in the federal elections.

TRURO, N.S., Sept. 22.—It is probable that nine or ten constituencies in Nova Scotia will name Farmer candidates for the Dominion elections, according to forecasts at the session of the provincial executive of the United Farmers' Association, of Nova Scotia, held here. It was announced that the nomination of candidates would be left to the individual constituencies.

SIR JOHN SIMON TALKS ON CANADIAN VISIT

LONDON, Sept. 22.—Sir John Simon, on returning to England after his visit to Canada, expressed himself to the Canadian Press as full of enthusiasm for Canada and her people. His stay across the Atlantic had been delightful.

Sir John begged to be excused, however, when asked as to his views concerning the Canadian attitude toward the question of Irish appeals to the Privy Council in London. He said he did not feel disposed to discuss this subject.

It will be remembered that on his return from Canada last year, Lord Cave, of the Court of Appeal, gave an extensive account of his impressions in the "Quarter of Dominion" appeals to the Privy Council, and much lively discussion was thereby provoked.

CHECK YOUR BOWEL TROUBLES BY USING DR. FOWLER'S EXTRACT OF WILD STAWBERRY

When you are troubled with diarrhoea, dysentery, colic, cramps and pains in the stomach, cholera, cholera morbus, summer complaint, bloody flux, or any loosening of the bowels be sure and obtain a bottle of "Dr. Fowler's" and see how quickly it gives you relief. This wonderful remedy has been on the market for the past 75 years and we wish to warn you against accepting a substitute which may be dangerous to your health.

Mr. Samuel Buckler, Tatumagouche, N.B., writes: "While visiting in Western Canada I had a severe attack of diarrhoea. After trying many proprietary medicines I got no relief, but kept getting worse."

"I was advised to take Dr. Fowler's Extract of Wild Strawberry, and I lost no time in doing so. I cannot hesitate in recommending it most highly, for when I had not yet taken half the bottle I was relieved. I must say that if 'Dr. Fowler's' is given a fair trial it will show its good qualities."

The price of the genuine is 50c a bottle; put up only by The T. M. Burn Co., Limited, Toronto, Ont. (Adv.)

MINING OFFICIAL ON VISIT TO PROVINCE

Mr. Thomas Gibson, Deputy Minister of Mines for Ontario, Attended Recent Meeting of Mining Institute

Mr. Thomas Gibson, Deputy Minister of Mines for the Province of Ontario, was a visitor in the city yesterday and yesterday afternoon in the Buildings, where he met officials of the British Columbia Mining Department and discussed mining conditions in this Province.

Mr. Gibson attended the recent meeting of the Alberta branch of the Canadian Mining Institute at Edmonton, at which some 130 mining engineers and geologists were present and many valuable papers were read and discussed. This meeting, Mr. Gibson stated, was a very successful one, the chief subjects considered having to do with the coal and oil resources of the Province of Alberta.

The latest information given by the geologists on the Fort Norman and other sections of the Mackenzie River basin was to the effect that in some portions of the Province geological conditions appeared favorable to the theory that oil exists, but the extent of the deposits would only be properly demonstrated by drilling.

Mining in Ontario, Mr. Gibson said, is depressed in some branches, notably in nickel and copper, the demand for which had practically ceased, and the large stocks accumulated during the war are still not marketed. Gold mining, on the other hand, was active. Ontario is producing more gold than all the other provinces of Canada combined, and this year the value of the output will aggregate between thirteen and fourteen millions. The great Hellinger mine in the Porcupine district, is producing at a rate of about eight millions for the year, and the Kirkland group, another Porcupine property, is producing largely.

Mr. Gibson while here was entertained by Mr. W. Fleet Robertson, Provincial mining geologist. He left last night on his return to the East.

POLITICAL PARTIES**GETTING TO WORK**

Government and Opposition Forces Calling Supporters Together for the Campaign

Marked activity in local political circles, in view of the approaching Federal contest, is evidenced, and within the next few days all parties will have got down to organization work. Supporters of Hon. Simon F. Tolmie, Minister of Agriculture, will get down to work on Monday night, when a meeting will be held at the Alexander Hall, Corner Street, commencing at 8 o'clock. Steps will then be taken to organize for the campaign and committees will be named. All electors interested in the election of the Minister are requested to attend.

Tonight National Liberal-Conservatives of Esquimalt will meet at the Sailors' Institute, when steps towards organizing for the contest will be taken. The meeting will commence at 8 o'clock.

In view of the fact that Mr. Charles McIntosh, present sitting Federal member for the Nanaimo riding, will not seek re-election, great interest centres in the likely choice of the parties. Reeve Lockley's name is being mentioned as an aspirant for nomination in the interests of the Government party, while Mr. A. D. Macfarlane, councillor for Oak Bay, has been mentioned as a likely Liberal candidate.

Labor will enter a candidate in the Nanaimo riding, though as far there is no mention of a labor candidate in Victoria City. In the former riding Mr. T. A. Barnard is likely to enter the race as a labor candidate, though if he does he will probably not be put forward by any labor organization. In New Westminster R. P. Pettipiece will come out as a candidate for the Federal and Labor Party, and has already accepted the nomination.

Socialist candidates in Vancouver are likely to be following: Vancouver Centre, T. O'Connor; Burrard, J. D. Harrington; Vancouver South, J. Kavanagh. Conservatives of Wards Eight and Nine, Bannich, will meet tomorrow evening at eight o'clock at the Conservative Club quarters, Campbell Block. A large attendance of members is requested.

Janney Resumes Hunger Strike
LETHBRIDGE, Alta., Sept. 22.—Captain Janney, after being virtually awarded his freedom yesterday on a nominal \$100 bail, is again hunger striking. He refuses to take the food offered him at the hospital, and some alarm is felt over his condition. The authorities can offer no explanation of his conduct in starting his strike a second time.

GIRLS! LEMONS
WHITEN SKIN AND
BLEACH FRECKLES

Squeeze the juice of two lemons into a bottle containing three ounces of Cleared White, which any drug store will supply for a few cents, shake well, and you have a quarter pint of harmless and delightful lemon bleach. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day, then shortly after the beauty and whiteness of your skin.

Famous stage beauties use this lemon lotion to bleach and bring back soft, clear, rosy-white complexion, also as a freckle, sunburn, and tan bleach because it doesn't irritate.

(Advt.)

SAYS ORGANIZED LABOR SHOULD REMAIN OUT

That is Claim of Vice-President of Trades and Labor Council Regarding Police Strikeup

"Organized labor has no business taking a hand in the present police strike," declared Mr. J. A. Shanks, vice-president of the Trades and Labor Council, last night, discussing the action of that organization in endorsing Secretary Woodward's request for an investigation of the detective department.

"If Secretary Woodward desired to express his personal opinion to the Police Commissioners," said Mr. Shanks, "he should not have involved the Trades and Labor Council in it. The impression given is that labor is opposed to the action of Dr. Hall and Joe North, which is not a true one."

"Personally, the doctor and Mr. North have my sincere support. I am sure if a vote was taken at a fully attended meeting of the Trades and Labor Council the endorsement of Secretary Woodward's letter would be refused."

"Moreover, all labor should remember that Dr. Hall and Joe North fought only for a better wage for the uniformed police, which branch of the police is an organized labor body."

APPECIATIVE OF COURTESY SHOWN

American Visitors Send Local Constable Photograph of Himself, With Letter Praising City's Cordial Spirit

Some time ago Constable Clare, of the local police force, was on duty at the C.P.R. docks, and, among others, whom he chanced to aid with certain information about the city were three life insurance men from Seattle. Like other visitors from across the line, they were much taken with the uniform of the Victoria policemen, and so they photographed Constable Clare as he stood on duty. He asked for a copy of the picture, and yesterday it arrived.

That the Seattle men appreciated the courtesy of the police officer was evident. The photograph of Constable Clare was taken with a small camera, but his American friends had the picture enlarged before sending it to him. With it was a letter which read in part:

"The cordial and accommodating spirit of your city was especially noticed by us. We Americans are usually so full of business and hurry that we often forget the hospitable traits of human nature that are so worth while. May the friendly spirit we observed in Victoria continue to grow and make your city famous for its hospitality."

The letter was signed by the three men, who are Messrs. Wayne L. Doty, William J. Davis, and Jas. D. Barnard, giving the address of the Equitable Life Assurance Society, Seattle.

EXHIBITION TRAIN**ARRIVES TODAY**

French Mission Will Be Welcomed by Premier Oliver on Behalf of Province at Belleville Street Wharf

The Franco-Canadian exhibition train will pull into Belleville Street wharves at the foot of Oswego Street, this morning at 10:30 o'clock, when it will be officially welcomed to the Capital City by Premier Oliver, Mayor Porter, members of the City Council, Chamber of Commerce and other public organizations in the city. The train will remain on the ferry, on which it will be transported from the Mainland, until 3 o'clock on Sunday, September 25.

The exhibition is being conducted by the French Government to enable the citizens of Canada to see for themselves what France is able to manufacture and produce, and in the hope that the Canadian Government will dispatch a similar expedition to France for the purpose of acquainting the Parisian folk of what Canada makes.

There will be no admission charge to see the train, which is composed of eight cars laden with various products of France, and the exhibition will be open to the public this afternoon and tomorrow between the hours of 2:30 o'clock and 3:30 o'clock, and again in the evenings from 7:30 o'clock until 9:30 o'clock. The forenoon have been reserved for the merchants and manufacturers of the city, who may have some particular interest in the exhibits or are anxious to obtain information of what an expedition of this nature offers in commercial possibilities.

The French industrial and commercial mission is headed by Count d'Arsault, and includes seventeen prominent representatives from France and two French-Canadians, accompanied by Mr. Emile J. Hebert, representing the Canadian Pacific Railway, and Mr. C. K. Howard, of the Canadian National Railways. The entire train is devoted to the varied assortment of high-class French exhibits, which are such that no person should fail to view them while they are in Victoria.

MUST MAKE DECLARATION

Outsiders Purchasing Liquor Here Hereafter Must Give Address Under Oath

To prevent visitors who, under the regulations, must purchase the liquor permits before they can secure liquor at the Provincial liquor stores, from adopting a practice which has become common, of purchasing fifty-cent liquor permits and giving an address purporting to be their home address in the Province, the Liquor Board has decreed that hereafter all persons applying for permits must make a declaration, setting forth their proper address.

It has been found that many tourists and visitors to the Province, especially parties from near-by United States cities, have evaded the payment of the \$5 permit by the simple expedient of purchasing the simple

FOUR APPOINTMENTS ARE MADE TO SENATE

OTTAWA, Sept. 22.—Four appointments to the Senate were made this afternoon. They were: Sir George Foster, formerly Minister of Trade and Commerce; Hon. J. A. Calder, formerly Minister of Immigration and Colonization; Hon. J. D. Reid, formerly Minister of Railways, and John McCormick, of Sydney Mines, N. S.

John McCormick, who has been appointed to the Senate, was born of Scottish parentage in 1858, at Sydney Mines, where he has resided all his life. He is a merchant, and has always been interested in public affairs, having been first elected to the Cape Breton municipal council in 1885, when 26 years of age. He occupied the mayor's chair for many years, was a member of the Provincial Legislature from 1894-97, and has been a candidate at elections for the Federal House of Commons.

Mr. McCormick is a Roman Catholic. He was the Union Government candidate in North Cape Breton-Victoria in 1917.

Chagassan Pioneer Dies
VERNON, B.C., Sept. 22.—Alex. Chagassan, who came to the Okanagan district 54 years ago from St. Anicet, Quebec, died at Lemby, near here, on Sunday. He was one of a band of early pioneers who helped to develop Chagassan.

Move Plants to India
NEW YORK, Sept. 22.—Officials of the American Manufacturing Company, one of the largest makers of bagging in the United States, announced yesterday that they would move their plants to Calcutta, India, because of cheap labor to be secured there and the failure to obtain tariff reductions. More than five thousand operatives are affected.

ASPIRIN

"Bayer" only is Genuine

Warning! Take no chances with substitutes for genuine "Bayer" Tablets of Aspirin. Unless you see the name "Bayer" on package or on tablets you are not getting Aspirin at all. In every Bayer package are directions for Colds, Headache, Neuralgia, Rheumatism, Kneads, Toothache, Lumbago and for Pains. Handy tin boxes of twelve tablets cost few cents. Druggists also sell larger packages. Made in Canada. Aspirin is the trade mark (registered in Canada) of Bayer Manufacturing of Monacopolis, a division of Barmbeim. (Advt.)

CALIFORNIA OILFIELDS MAY BE PARALYZED

SACRAMENTO, Sept. 21.—Acting under instructions from Governor Stephens, Martin Madden, his private secretary, left here tonight for Bakersfield to investigate conditions in the oil strike districts of Kern County.

COALINGA, Cal., Sept. 21.—The refusal of certain oil operators in California to make the government a party to proposed wage agreements in the oilfields and refineries threatens

to compel us to tie up every oilfield, refinery and pipe line," Walter Yarwood, counsellor for the oil and refinery workers' union, said here today. The executive committee of the union has called a meeting in Bakersfield on Friday to discuss the general tie-up.

LONDON, Sept. 22.—A strong research committee has been appointed, under the chairmanship of Prof. W. P. Halliburton, to investigate the causes of dental decay. This is the result of attention recently drawn to the bad state of the nation's teeth.

A Remarkable Display of Rugs and Carpets

OHIO STATE BANKERS PASS THROUGH CITY

Large Party of Financial Men and Their Wives on Way to Annual Convention in Los Angeles

One hundred and twenty-five bankers and their wives from the State of Ohio are passing through Victoria on their way to the annual gathering of the American Bankers, which meets at Los Angeles during the week of October 3. The big party arrived from Vancouver on yesterday afternoon's boat, and are returning to the mainland today.

The Ohio financial men left Cleveland last Friday, travelling on a special train composed of eleven coaches and one of the finest ever employed for such an expedition. Mr. D. Jay Collier, a prominent banker of Cleveland, is personally directing the tour, which so far has been greatly enjoyed by the party.

Bluff Springs and beautiful Lake Louise were visited by the bankers, who reached Vancouver at sunrise yesterday. They left their train on the mainland to see what they had been told was "Reminiscence of Old England."

That they are not disappointed in their visit here, was the unanimous opinion which was heard at the Empress Hotel last night, where they are all stopping.

Shortly after their arrival yesterday, the visitors were driven about the city and shown many of its beauty spots. They were guests of Mr. and Mrs. T. P. Butchart, at Benvenuto, Todd Inlet, where they viewed the sunken gardens. It is a coincidence that Mr. Colville, who is directing the train, journeyed to Europe with Mr. and Mrs. Butchart in 1914.

SAANICH LIBERALS PREPARE FOR FIGHT

Select Officers and Arrange for Delegation to Attend Nominating Convention for Nanaimo Riding at Duncan

The Liberal nominating convention for the Federal riding of Nanaimo, it was announced at a meeting of Saanich Liberals at the City Liberal headquarters last night to undertake organization work for the coming contest, elect officers and generally prepare for the fight. In view of the fact that but fifteen members were present, and it was deemed inadvisable to select at once the fifty-two delegates which the Saanich district is entitled to send to the convention at Duncan, it was suggested that an effort be made to have the convention postponed for a week.

The following were the officers selected:

Honorary president, Mr. F. A. Pauline, M.P.

President, Mr. A. D. Macfarlane.

First vice-president, Councillor Francis Simpson.

Has Won Bursary

MISS DOROTHY M. HOLMES, daughter of Dr. and Mrs. Holmes, who was last night presented by the University of Victoria, has won the bursary of \$100. This bursary was offered by the University Women's Club for the Victoria girl winning the highest matriculation marks, and was presented in connection with the first of their lectures of the season, last evening, at the Empress Hotel.

Second vice-president, Councillor Peter McKeechie.

Secretary, Mr. R. E. Collins.

Executive committee: Ward 1, Messrs. H. Terrell and Frank Sere; Ward 2, Messrs. George McGregor and J. P. Hancock; Ward 3, Mr. Norman Whitaker and one other yet to be named; Ward 4, Messrs. E. C. Coates and J. O'Connell; Ward 5, Messrs. John Watt and David Lehman; Ward 6, Messrs. A. G. Turner and George Stewart; Ward 7, Messrs. R. Auld and W. Crockett; Ward 8, Messrs. R. K. Taylor and George Rennie; Polling district 9, Messrs. J. D. MacDonald and J. S. Brandon.

BURGLARS BUSY

More Dwellings Were Entered Wednesday Evening and Valuables Stolen

Four more burglaries committed during the previous night were reported to the police yesterday morning. The work of the burglars makes it clear there is a clever gang operating, and in the two nights nearly a dozen robberies have taken place, though in the majority of cases little of value was secured. The thieves worked while the occupants of the premises were out either attending the fair or elsewhere.

Last night Mrs. E. Patterson, of 344 Cook Street, reported that while the members of the family were out last evening a thief entered the house, apparently by the aid of a pass key, and after ransacking the place made off with watches, jewelry, rings, etc., the whole valued at several hundreds.

At the home of Mr. David Miller, 224 McClure Street, the burglars on Wednesday night purloined two watches, seven rings, a pendant and chain set with valuable diamonds and other jewels. Entrance was gained by the back door, which had apparently been opened with a pass key.

At the home of Mr. Frank Higgins, K.C. Victoria, his revolver was stolen, the thief forcing a window on the ground floor.

In view of the presence in the city of the police, the police are desirous to caution householders against leaving their premises unguarded or leaving valuables or money about.

OBITUARY NOTICES

LASH.—The remains of the late Mrs. Mary Lash were laid to rest yesterday afternoon at 2:30 o'clock. Service was held at the Thomson Funeral Home, 1025 Quadra Street. Rev. William Stevenson conducted the impressive funeral service. There were many relations and friends present, the many beautiful floral designs showing the high esteem in which the late Mrs. Lash was held. The following were pallbearers: W. Lickie, H. P. Hume, P. Hay, H. W. Richmond. Interment was made in Ross Bay Cemetery.

BEAUCHAMP.—Private service was held yesterday morning at 10:30 o'clock at the Thomson Funeral Home, 1025 Quadra Street, for the late Margaret Vina Beauchamp, daughter of Mr. and Mrs. Beauchamp, his loss a widow, one son, George Edgar Beauchamp, of this city, one sister, Mrs. Larsen, of Seattle, two brothers, Chris Lund, of Boston, and Martin, of Christiania, Norway.

SMITH.—There passed away yesterday, at St. Joseph's Hospital, Esther Sherland, beloved daughter of Mr. George Smith of 1025 Quadra Street. The late Miss Smith was born in this city and was attending the High School. The remains are reposing at the B.C. Funeral Chapel, and further particulars and due notice of the funeral will be given.

HOGG.—The death occurred yesterday, after a short illness, caused by an accident, of Alexander Hogg, a son of the late Mrs. Hogg, who was born at Gore Bay, Ontario, forty-two years ago, and came to this Province about thirty-three years ago and had been farming on Islet Island. On the way to this city from Vancouver, a few days ago, he had a fall on the steamer, which necessitated his removal to the hospital, but from the injuries received in the fall he succumbed. The remains are reposing at the B.C. Funeral Chapel, and an inquest will be held this morning at 11:30, and the body will be forwarded this afternoon to Vancouver for interment.

GALE.—The funeral of the late James Henry Gale will take place privately from the B.C. Funeral Chapel this afternoon, Rev. A. de la, Owen officiating. Interment will be made in Ross Bay Cemetery.

SHERLOCK.—After an illness of three days' duration, Mrs. A. E. Sherlock, a former resident of this city, died at Nelson last Saturday night at midnight. The late Mrs. Sherlock was a daughter of the late Mr. E. V. Dondrell, chief accountant for the Dominion Government during the construction of the C. P. R. in British Columbia, and the second sister of the well-known King's counsel of this city, the late Mr. E. V. Bodwell. Mrs. Sherlock was born at Port Elgin, Ont., and was educated in Victoria at the Angela College, and married Harry Sherlock, of Dublin, Ireland, in 1917. Her husband died some years later in South Africa, and since 1902 the deceased has resided at Nelson. Mrs. Sherlock was for some time, the final illness was only of three days' duration, and the late Mrs. Sherlock passed away at the home of her sister, Mrs. A. P. Macfarlane, 715 Robson Street, Nelson. Mrs. Sherlock was deeply interested in library work and for many years was on the Library Board before the institution became a municipal undertaking. She is survived by one brother, Mr. Frank V. Bodwell, of Caulfield, near Vancouver, and two sisters, Mrs. A. D. Macfarlane and Mrs. Leslie Crawford, both of Nelson.

MARIE OF ROMANIA IS BUSINESS QUEEN

Queen Marie of Roumania, who is paying one of her periodical visits to France, has become known as the "Business Queen." Ever since the armistice the British-born Princess has been busy in her efforts to rebuild Roumanian credit and industry, and taking the keenest personal interest in every branch of her country's trade and commerce, she has become the most expert of commercial ambassadors.

During her visit to France, though she has spent much time at the seaside in Brittany and has visited Deauville during the fashionable week, she has been busy interviewing engineers and factory owners and planning with them the revival of Roumanian art and crafts. These shrewd business sense and they have quite their equal to cope with.

The other day Queen Marie was buying large quantities of cloth for the Roumanian Red Cross, of which she is head. The manufacturer quoted his price. The Queen took out her little red leather notebook and confronted the man with the question for the same French cloth on the New York market. It was at least 10 per cent. less than his quoted price.

THE time to brew coffee is the time you are ready to drink it—NOT SOONER.

COST OF V. D. IS TOLD TO ROTARIANS

Speakers of Island Council of Social Hygiene Address Club—Reeve S. J. Drake Tells of Motor Trip

The financial cost of venereal disease was impressed upon the Rotary Club yesterday by Dr. Miller, of the Island Council of Social Hygiene. Starting figures were given by the medical man.

Rev. H. T. Archibald, another member of the council, told what steps were being taken to overcome the dread scourge. "The people must get over the idea that what always has been always will be," he said. The children must be educated in sex matters and proper recreation provided for them.

Mr. H. T. Ravenhill told what the council had done in combating venereal disease. The first article of its platform was that every child had a right to be born healthy. He asked for suggestions for improving the present legislation dealing with venereal disease.

Reeve S. J. Drake, of Oak Bay, told the Rotarians of the motor trip he and Mrs. Drake took as far as Cincinnati this summer. He related an amusing incident that took place on the trip.

A typical "hick" with the well-known gait and a look of a man who had been in the bush, he was asked Mr. Drake where he was from. Receiving the reply, "British Columbia," the villager remarked: "Oh, you belong to Great Britain, don't you?"

The Ridge pointed out that British Columbia was a part of the British Empire, whereupon the interested one said: "They'd like to take the United States only they don't come out on the sea and fight us."

Mr. H. T. Archibald, another member of the council, told what steps were being taken to overcome the dread scourge.

Mr. H. T. Archibald, another member of the council, told what steps were being taken to overcome the dread scourge.

Reeve S. J. Drake, of Oak Bay, told the Rotarians of the motor trip he and Mrs. Drake took as far as Cincinnati this summer.

A typical "hick" with the well-known gait and a look of a man who had been in the bush, he was asked Mr. Drake where he was from.

Receiving the reply, "British Columbia," the villager remarked: "Oh, you belong to Great Britain, don't you?"

The Ridge pointed out that British Columbia was a part of the British Empire, whereupon the interested one said: "They'd like to take the United States only they don't come out on the sea and fight us."

ferred from the staff of the Union Bank here to their branch in Wainwright, Alberta.

The christening of the infant son of Mr. and Mrs. George F. Galt took place Sunday afternoon in All Saints' Church, Canon Loucks officiating. The baby received the name of Thomas Mounsell. The godparents were Mrs. Stuart Tupper, Miss Aileen Rutherford, Kingston; Conrad S. Riley, Brig. General Mounsell. Later an informal reception was held at Mr. Galt's residence, Wellington Crescent—Winnipeg Tribune.

Of interest to friends in this city of Lieutenant Murray will be the notice of his engagement which appeared in a Toronto paper. The engagement is announced of Miss Joan Chaplin Scott, of Dalside, Grandall, England, second daughter of the late W. M. Scott, M.D., and Mrs. Scott, and grand-daughter of the late Wm. Chaplin Scott, of Dalside, Grandall, St. Catharines, Ont., to Lieutenant Leonard W. Murray, R.N., of H. M. C. S. Aurora. The marriage will take place quietly in Montreal early in October.

Miss Isabel Munn, assisted by her sister, Miss Gertrude Munn, entertained yesterday at her home on Davie Street at the tea hour in honor of Miss Dorothy Holmes, who is shortly leaving for Vancouver, where she will attend the University of British Columbia. The guests present were Miss Joan Donald, the Misses Barbara and Marion Bullock-Webster, Miss Hilda Langton, Miss Gladys Garsche, Miss Vivian Combe and Miss Nora Tolson.

Henry C. Hall, of the law firm of Messrs. Hall & O'Halloran, who left for the East at the beginning of this month to attend the meeting of the National Liberal Committee at Ottawa, and later to attend the conference of the International Unitarian Laymen's League, at Narragansett Pier, State of Rhode Island, sailed yesterday from New York for London, England, on legal and business matters. Mr. Hall will out short his stay in the Old Country in order to be back in Victoria before the Dominion election campaign is in full swing.

BRENTWOOD

Mr. Koyl, of Saskatoon, is spending a few days at the Brentwood Hotel.

Mrs. T. B. Baskwell and Mrs. Thomas Parsell, of Vancouver, were recent visitors to the Butchart Gardens.

Mr. L. C. Newlands, of Oswego, Ore., was a visitor to Tod Inlet and

Bamberton during the past week.

Mrs. J. W. Thomson is spending a few days in the city visiting her daughters, Mrs. A. Evans and Mrs. A. E. Fitch.

Mrs. J. Chipperfield and baby daughter are the guests of the former's parents, Mr. and Mrs. T. Purdy, of Victoria, for a few days.

Mrs. Parsell returned home on Wednesday evening after a two-day visit with Mr. and Mrs. Pitzer and family, of Fairfield Road.

Mr. and Mrs. H. E. Tanner and family, of Keatinge, attended the Victoria Exhibition on Wednesday afternoon.

Mrs. Dickson and son, Robert, of Port Angeles, have returned home after a few days' holiday with Mrs. Zelenak, of Tod Inlet.

Mr. and Mrs. John Shaw and party, of Nanaimo, were the guests of Mrs. T. Hagart and family on Sunday, having come down by motor on Sunday morning.

A dance is being arranged to take place in the West Road Hall on Friday evening, September 30, and every preparation is being made to provide an evening of enjoyment for those who attend.

Guests who registered at the Brentwood Hotel during the past week were: Mr. and Mrs. A. T. Lee, Seattle; Mrs. D. G. Hillman, Seattle; Major Martin, Vancouver; Mr. and Mrs. W. C. Rae, Vancouver; Mr. H. O'Day, Seattle; Mr. and Mrs. Day, Victoria.

A card party was held at Bamberton on Thursday evening, which was attended by a number of the young people of this locality. One of the number, Miss M. Eresland, was successful in carrying off the ladies' first prize. Nine tables participated in the game, and dainty refreshments were served.

NANAIMO

Mrs. James Pender, accompanied by her daughter, Mrs. Wm. Hogan, returned from Vancouver last night.

A vaudeville entertainment will be given on October 21 under auspices of the I.O.G.E.

Mr. Alex. H. Urquhart, president of Urquhart & Co. Ltd., Vancouver, was a visitor to the city yesterday.

Mr. F. C. Stearnman returned home last evening after a most enjoyable trip to points in Eastern Canada and the United States. Mr. Stearnman

STOCK JUDGING BY
"TEEN-AGE JUDGES"

Great Interest Aroused by Work of Young People in Contests Being Staged at Annual Fairs

The third and last of a series of competitions in the judging of farm animals by boys and girls of 'teen age has just been completed at the exhibition grounds, where eighteen boys and girls from different parts of the Province were brought together in a somewhat new form of contest. The first competition was staged at the Vancouver Fair, where some twenty boys and girls took part. The second and largest contest of the season was staged at the Provincial Fair, New Westminster, when no less than forty-seven boys and girls of 'teen age, representing upwards of a dozen different districts, gathered not only to display their own ability, but also to uphold the honor and reputation of their respective districts.

Each contestant was called upon to place the animals in order of merit in three separate classes, Heavy Horses, Beef Cattle and Dairy Cattle, twenty minutes only being allowed for the placing and for the writing of reasons. Fifty per cent of the possible credits were allowed for proper placing and fifty per cent for written reasons. The contest consisted of three sections, viz: Boys and girls under 21 years of age; boys and girls under 18 years of age; sweepstake competition for boys and girls under 18 years of age.

AUSTRALIA SELLING FRUIT IN EUROPE

LONDON, Sept. 23.—A Reuters dispatch from Paris says that Frank Cox, representative of the Australian federal fruit pool, in conjunction with Australia's representatives in France, has made large contracts for the delivery of canned fruits and jams in France next season, subject to prices being in line with those of foreign countries.

Mr. Cox has already made arrangements in London for steamers of the Commonwealth Government line to call at Havre with shipments of not less than 25,000 cases. These products handled by the pool are under federal government guarantee. Australia's canned fruit and jam exports now exceed in value \$10,000,000 annually.

EXHIBITION MAKES
WORLD'S RECORD
IN PONY JUMPING

Continued from Page 1

Liquid. The Layrite Nurseries, of Victoria, have a magnificent showing of various fruits and roses in this section of the exhibition, and their space is one of the attractions. Flew-in's Gardens are also represented by a very large and ornamental show of plants, ferns and dahlias. There is a fine display arranged by Ship Chandlers, Limited, of this city, and also one by the Victoria Feed Company. The Victoria Hardware Company is also among the exhibitors. The Rice Lake Canoe Company has one of their comprehensive displays of canoe and sporting equipment in this building also.

There has been a constant crowd passing through the building devoted to the Victoria Rabbit Association, and much interest is shown in the varieties of furred animals on show. These are some wonderful specimens of Siberian hares and Flemish Giant, some of them registering as much as seventeen pounds in weight. A display of articles made from the tanned hides of rabbits is of much interest here. The exhibits of Belgian hares and New Zealand Reds is equal to the best, and the showing of other varieties of rabbits leaves nothing missing in the class for this kind of animal.

Much interest was shown in the various classes of livestock all day, and the results of the judging were awaited eagerly. The show was a great success today for the fifth day, and a large attendance is expected by the management.

The Prize List

The following additional awards were handed down by the judges yesterday:

Fat Sheep
Shearling Wether—4, Archie C. Stewart; 2, H. D. Currie; 3, Jas. A. Higginson.
Ewe, shearling—1, A. C. Stewart; 2, J. G. S. Hubbard & Son; 3, H. D. Currie.

"THE MASTERPIECE" "Look, Jim! This Simms Lather Brush Works Like an Automatic Pencil"

See—a twist of the wrist and the brush disappears inside the handle. A pressure of the finger and it is out again ready for use. Truly "The Masterpiece" is the most compact little brush ever put on the market for the man who travels.

Think, too, of its convenience; no messing up of the things in your grip as is the case with the usual wet, soapy brush.

The brush itself is of the usual Simms quality—the hairs are set in a bedding of vulcanized rubber and every brush fully guaranteed.

Every bristle in every Simms Brush is guaranteed effectively sterilized by the most improved methods.

Made in four styles—four sizes in each style. Sold all over Canada.

VICTORIA ROTARIANS WIN ROTARY TROPHY

Lester Patrick Stars in Seven-
Inning Ball Tussle Against
Vancouver Nine—Mainland
Boys Fought Hard

The Victoria Rotarians secure the handsome bronze Rotary Trophy as a result of their good work on the diamond at the stadium yesterday, when they forced the Mainland nine to taste defeat for the third successive time in a like number of years, to the tune of 15 to 13. Not only did the local boys secure that honor, but they will hold for one year the cup recently put up for intensely competition between the two clubs by the Vancouver Rotary Club.

The Vancouver boys did well in spite of being beaten, and during the last two frames of the seven-inning tussle showed sufficient players to nab the game. But Lester Patrick was their stumbling block. The reliable hockey defence man was in his glory on the elevated section of the lot, and surprised not a few by the way he tossed the balls to Jim Beatty, who ably performed the heavy work behind the white throne. President W. C. (Bill) Shelley, of the Vancouver Club, accompanied the team and was a hearty booster for his crew, but that was not enough to spell victory for his prodigies. The home nine were greatly assisted by Jimmy Adam and Bob Brencley, who occupied conspicuous seats in the press compartment and added the game by their close attention and observation of the various triple and double plays which were pulled off so frequently during the engagement.

Back to Sand Lots
The Victoria outfit opened the fun by driving the visiting twirler back to the sand lots and forcing Cliff Jough, the ump, to introduce Professor Schwab to the assembly. The new man was uneasy, and the Victoria bunch got after him for eight more tallies in the following spans. No wonder somebody looked worried. Vancouver succeeded in bagging two runs in each of the frames.

Patrick was looking like a big league baby, and Lester kept up the pace in the third, when he retired his opponents in smart fashion. The Mainland heaver showed signs of improvement when he kept the local Rotarians scoreless in the next couple of innings. Two runs in the fourth enabled Vancouver to creep up, and had not the home bunch come through with several tallies, they would certainly have been out of luck.

The game became exciting toward the finish. Both teams were battling on, with the sight of victory rising before them. Lester Patrick put the game on ice when he cleared the right field boards in the fifth stanza, chasing home a man ahead of him. There was plenty of excitement and enthusiasm during the matinee performance, and the spectators had plenty to keep them in the best of spirits.

Visitors Entertained
The Victoria organization entertained their fellow Rotarians from the Mainland centre at lunch yesterday in the Empress Hotel. After the game the visitors were their guests at a dinner at the Pacific Club, where President Shelley and Vice-President Bob Miller, of the Vancouver Club, expressed their thanks for their hosts' kindness. Rotarian Howard Gibson, captain of the local team, responded. The evening was attended off at the Little Theatre, Oak Bay, after which the Mainland folks caught the midnight boat back to Vancouver.

The lineup of the two teams were as follows:
Vancouver—Schwartz, p; Hillier, c; Irvine, 1b; Eastman, 2b; Beatty, 3b; Tyler, ss; Davidson, rf; Speedy, cf; Harry Duker, lf.
Victoria—Lester Patrick, p; James H. Beatty, c; George Weller, 1b; Bob Breen, 2b; "Baby" Williams, 3b; Howard Gibson, ss; Laurie Edwards, rf; T. P. MacConnell, cf; Johnny Johnson, lf.

TIME LIMIT FOR
ENTRIES EXTENDED

Victoria Football Association
Holds Meeting to Arrange
for Fall Games—Six Clubs
Have Entered

The time limit for entries in the second division of the Victoria Football Association was extended to Tuesday, September 27, at the meeting of the association which was held on Tuesday evening. Entrants in the second division will be those who were in the intermediate class in last year's play. The decision to form the second division was made in order to comply with the constitution of the British Columbia Football Association which is run under the O.K. Country rules. Senior teams from the first division and the teams entering this year will form the second division. The winning team of this second division will be advanced to the first division at the end of the season.

So as to give every team a chance to enter the association the date for closing entries was made September 27, and the entrance fee was fixed at \$5. Six clubs have already entered the association, and it is hoped that others will do so. The six are the Church of England, Metropolis, Victoria West, Native Sons, Thistle and C. F. R. Social Club. The matter of the fee for referees was discussed at the meeting and was fixed. The examination board for British Columbia will hold the examination for referees at the date announced and anyone wishing to qualify may do so by passing this exam. The secretary of the association, Mr. W. J. Tull, will be glad to receive applications from clubs who wish to enter the association.

STORKS MAY REST; DOCTORS PLAY GOLF

Pacific Northwest Surgeons' Tournament to Be Held at Tacoma Country Club Links

All the storks of the Pacific Northwest will have to take a public holiday on October 7, when the surgeons' golf tournament will be held at the Tacoma, Washington, Golf and Country Club course. All licensed practitioners residing in British Columbia are eligible to enter the contest. A model play on handicap and a four-man team event have been arranged for. The Shaw Cup will be played for by the winners in the tournament elimination games. This cup is played for each year and must be won two successive years for permanent possession.

WORLD'S SERIES TO START OCTOBER 5

First Game to Be Played on
Grounds of National League
Team Is the Plan Announced
by Officials

CHICAGO, Sept. 22.—The world's series will start October 5, it was decided today, the first game being played on the home grounds of the National League team.

In the event either Pittsburgh or Cleveland should finish first, two series games will be played in the National League city, the next two in the American League town, and so on. Both New York teams are at present leading the league.

The details of the series were arranged today at a meeting of the league presidents, with Judge K. M. Landis, baseball commissioner.

President John Haydier, of the National League, won the toss and the first game for his league.

WEDNESDAY LEAGUE TO START KICK-OFF

Opening Game of Season's
Football to Be Played by
Retail-Clerks and Kirkham's
—Expect Keen Competition

The Wednesday Football League has drawn up its schedule of games for the season. The first play takes place on Wednesday next. The opening match between the Retail Clerks and Kirkham's will be played at Central Park, and the one between Weller's and Spencer's at the lower ground in Bon Hill. The complete schedule for the season is as follows:

Sept. 28 and Dec. 7—Retail Clerks vs. Kirkham's; Weller's vs. Spencer's; Garrison a bye.

Oct. 5 and Dec. 14—Weller's vs. Retail Clerks; Garrison vs. Kirkham's; Spencer's a bye.

Oct. 12 and Jan. 22—Garrison vs. Weller's; Spencer's vs. Retail Clerks; Kirkham's a bye.

Oct. 19 and Jan. 11—Spencer's vs. Garrison; Kirkham's vs. Weller's; Retail Clerks a bye.

Oct. 26 and Jan. 18—Retail Clerks vs. Garrison; Kirkham's vs. Spencer's; Weller's a bye.

Nov. 2 and Jan. 23—Kirkham's vs. Retail Clerks; Spencer's vs. Weller's; Garrison a bye.

Nov. 9 and Feb. 1—Retail Clerks vs. Weller's; Kirkham's vs. Garrison; Spencer's a bye.

Nov. 16 and Feb. 8—Weller's vs. Garrison; Retail Clerks vs. Spencer's; Kirkham's a bye.

Nov. 23 and Feb. 15—Garrison vs. Spencer's; Weller's vs. Kirkham's; Retail Clerks a bye.

Nov. 30 and Feb. 22—Spencer's vs. Kirkham's; Garrison vs. Weller's; Retail Clerks a bye.

There will be a meeting of the Wednesday Football League at the Trades Hall, Broad Street, on Saturday at 3 p.m. All delegates should attend without fail.

WELL-KNOWN BOXER INJURED AT RUGBY

First Casualty in Western Canada
Rugby (Circles) Falls Player Out
at Saskatoon

SASKATOON, Sept. 22.—(Jones) Broadway, well known in athletic circles in Saskatchewan, and one of the best welterweights in the boxing game, was seriously injured during a practice of the Saskatoon City Rugby Club on Wednesday night. In addition to internal injuries, his leg was broken just below the ankle when he was heavily tackled by two scrubs. This is the first casualty in Western Canada rugby ranks reported so far this season.

GOLF MATCH WILL BE PLAYED TODAY

Colwood Country Club and United
Service Club to Meet in Friendly
Battle All Day

KENNEL CLUB HAS SUCCESSFUL SHOW

Record Entry List of Valuable
Dogs Makes Event the Best
Ever Held in City—Keen Interest Shown

Great interest was taken in the annual Fall show of the Victoria City Kennel Club, which was held in the Dog Building at the Exhibition Grounds on Tuesday, Wednesday and yesterday. There was a record entry of valuable dogs and some of the best animals on the Pacific Coast were in the various classes. The building was one of the most crowded during the whole time of the show, and the Kennel Club officials are pleased with the result of the year's event.

The judging commenced at the hour set on Tuesday afternoon and there was a full list of show dogs to be classified by Mr. F. Turner, who judged the sporting dog classes, and Mr. Archie Hogg, vice-president of the Canadian Kennel Club, who classified all other breeds.

Strike in Penitentiary
KINGSTON, Ont., Sept. 22.—The convicts in the Provincial penitentiary at Kingston have staged another strike and the outside gangs have been locked up for the last three days. It is stated that a number of convicts complained that they were not being adequately fed.

IMPURITIES IN BUTTER

The report of the Irish Agricultural Organization Society for the seasons of 1920-21 tells of the work of this society in the effort to establish a high standard for Irish dairy products. Through its butter and cheese control schemes it provides for bacteriological examinations of cream, milk and butter, and gives advice as to the measures necessary to lessen impurities in product. It also gives certificates for use in selling.

In detailing the work thus done the society gives particulars of some causes of impurity discovered. In one case impurity was traced to mould growing on parchment paper in which the butter was wrapped; in another to lack of care in cleaning the cream vat; in a third to a mechanical defect in the cooler over which the cream passed after being pasteurized, and in a fourth to defect in the milk used. Cleanliness all along the line is necessary to securing the highest quality in dairy products.

LONDON, Sept. 22.—Plans for the observance of "Unemployment Sunday" on October 9 are being perfected, and public meetings will be held in every locality throughout England to urge a national policy for the relief of people out of work.

SCOUT WATER SPORTS OFFER MUCH INTEREST

Events Will Take Place at the
V.I.A.A. Saturday Afternoon
—Rescuers' Race, Canoe
Tilting, Diving, Etc.

Among the special features at the Scout Water Sports programme which is to take place on Saturday afternoon at the V.I.A.A. (commencing at 2.30 sharp) are the beginners' race, the rescuers' race and the diving and canoe tilting. The programme runs to fifteen numbers, with the rescuers' race as the next to the last item on the list and the canoe tilting last. Officers have been invited to compete with the older boys in the open events, as it is hoped in this way to add to the general interest of the affair. Admission to the sports is to be free.

20 yards, under 12.
25 yards, under 14.
Beginners' race, 30 yards, under 13.
Open to boys who have learned to swim since January 1, 1921.
50 yards, under 16.
Nexted dive, open to Wolf Cubs.
Low board.
50 yards, open.
Best plain dive, under 14, 10-ft. board.

Best plain dive, under 16, 14-ft. board. Best plain dive, open, 14-ft. board. Best fancy dive, under 14, Low board. Best fancy dive, under 16, 10-ft. board. Best fancy dive, open, 10-ft. board. Long plunge, under 14. Long plunge, open.

Rescuers' race, open to Rescuer Scouts, swim 16 yards to patient and tow him back. Patient to be provided by competitor and to be of his own weight.
Canoe tilting.
Judges: Messrs. W. H. Mearns, W. Davies.

VICTORIA GOLFERS START NEW CONTEST

Monthly Competitions to Be Held for
Six Months—Winners Will
Play Tournament

Monthly (handicap) competitions of the Victoria Golf Club will be held on the last Saturday in each month for six months.

The competitions will be alternately stroke and bogey competitions, and in the latter three-quarters of full handicap will be allowed.
The winner each month will receive prizes to the value of 50 per cent and the second 25 per cent of the entrance fees. Entrance fee 50 cents.
A prize will be given at the end of the season to be played for—match play—by the winners of the monthly competitions. The first competition will be held on Saturday, 24th September, 1921.

THREE COAST TEAMS IN CLOSEST BATTLE

San Francisco, Sacramento
and Los Angeles in Tight
Struggle for Championship
Honors of Season

SAN FRANCISCO, Sept. 22.—Three Pacific Coast baseball clubs, San Francisco, Sacramento and Los Angeles, are closing the 1921 season with what is believed to be the closest battle ever made for the coast championship. San Francisco, with a percentage of .574 is in the lead today as a result of yesterday's victory over Portland.

In second place is Los Angeles, with a percentage of .571, and in third place is Sacramento with .571. The San Francisco club has not been out of the first place for more than three weeks this season.

For more than a week, up to yesterday, Los Angeles was at the top of the ladder.

To Regulate Wrestling

NEW YORK, Sept. 22.—Rules for the regulation of wrestling have been issued by the state athletic commission. Strangle, toe and head holds and the elbows were forbidden under penalty of disqualification.

NEW ENGLAND FARMERS BECOME PROSPECTORS

Gold Find in Deserted Farm
Region of New Hampshire
Starts Excitement Recalling
Western Mining Camps

Farmers within a radius of many miles of Boston, Massachusetts, have deserted their farms and equipped themselves with pickaxes, shovels, dynamite and optimism to search for gold.

The same anxious eyes that have been watching the skies for weeks past, eager seeking signs of rain, are now on the ground. Here and there the gleam of a hillside has suddenly and feverishly assumed the pick and frantically digging is begun.

Meantime there is everywhere much rushing about, and at the railroad station strange machinery is arriving by freight, including a digging machine of a type distinctly alien to these parts, and certainly not designed for the potato trade or farming purposes.

In the centre of the spotlight is the cause of all this excitement, one Curtis Tilton, a farmer of the little town of Hill, near Franklin. He has been looking for a portion of his land to piece. The cause of this is a letter he has received from the assay office in Washington, stating that "fine dollars worth of gold and two dollars worth of silver per 100 pounds of ore."

Experts have deserted this percentage gives ground for optimism and predict that the New Hampshire farm may prove a second Klondike if there is enough gold-bearing rock to warrant installation of stamps and concentrating plants.

For many years it has been known that gold and silver existed in the ledges in certain sections of this State and from time to time a gold fever has appeared and disappeared. The report of the present find is unusually optimistic. The search has not been limited to the Tilton farm, for scores of land owners in the neighborhood have asked themselves: "If on Tilton's land, why not on mine?"

For years the hill on which ore has been discovered has been known as "Klondike Mountain."

OWN WHEAT SUPPLIES MAY SUPPORT EMPIRE

Wonderful Crops of Canada
and Australia This Year
Will Obviate Necessity for
Foreign Imports

Latest advice from the Golden West—the great wheat producing area of the Dominion of Canada, writes Dr. E. H. Chapman in The Daily Mail—points to two possibilities which, if they become realities, will make the year 1927 an epoch year for the British Empire.

For the last few weeks the wheat harvest of North America has been dependent on the weather. Speaking generally, the weather has been more favorable in Canada than in the United States. The result will almost certainly be that Canada will have more wheat available for export than the United States.

Canada's wheat crop is now estimated at 290 million bushels. As the Dominion requires each year some 100 million bushels for her own use, she will have for export 190 million bushels.

The latest crop reports from the United States gives a probable yield of 747 million bushels. Now in the United States 100 million bushels are required each year for home consumption, so that out of the 1927 wheat crop the United States will be able to export 117 million bushels.

Of the other great wheat-exporting countries, Australia has, from her last harvest, about 100 million bushels of wheat available for export. The Argentine Republic has perhaps the same figure—certainly not more. India has a much smaller figure.

Canada, then, bids fair to be the world's greatest wheat-exporting country during the present season. Thus there is a possibility, the likelihood of a part of the British Empire being the country to export the greatest amount of wheat in 1927.

Empire Wheat Supply
The second possibility, and by far the more important, is that in 1927 the British Empire may be self-supporting as regards wheat.

Before the war the wheat requirements of the British Empire were something like 120 million bushels per year, and of this amount about 750 million bushels were grown within the Empire. The chief contributors were India, with a yearly average production of 350 million bushels, and Canada, with a yearly average of 300 million bushels.

Produced about 30 million bushels of wheat per year, and Britain herself grew some 60 million bushels. The other parts of the Empire produced about 60 million bushels each year.

This year has seen a wonderful crop in Australia. Instead of her pre-war figure of 30 million bushels of wheat, Australia has grown no less than 140 million bushels—that is, 60 million bushels above her pre-war average.

In India, owing to bad conditions at the time of sowing, the 1927 wheat crop was below the average, but fortunately India has a good deal of old wheat in hand, and with her new and old wheat she will have the 300 million bushels she requires for home consumption and some to spare for export.

With Canada's bumper crop of 290 million bushels the British Empire will have grown something like 600 million bushels of wheat during the last twelve months. For the whole of the Empire 390 million bushels are required. India alone has enough of her splendid 1927 crop in hand to make up the 30 million bushels required for the Empire to be self-supporting as regards wheat in 1927.

The largest importer of wheat in the Empire is, of course, Britain herself, the average amount imported in 1926 being 215 million bushels. Other parts of the Empire import about 15 million bushels of wheat yearly. The total imports of wheat for the Empire are therefore 370 million bushels.

This year's total export of Canada, Australia, and India will reach a figure not far short of 600 million bushels, so that again we have figures which point to the possibility that the Empire could be self-supporting as regards wheat in 1927 if all the wheat grown in the Empire were used within the Empire itself.

Statistics of school children in the United States show those of the Anglo-Saxon race are taller and weigh more.

MASQUERADE AT COLWOOD

Enjoyable Affair Held Last Wednesday by W.A. to G.W.V.A., Langford Branch

A very enjoyable masquerade dance was held at Colwood Hall on Wednesday evening under the auspices of the W. A. to the G. W. V. A., Langford branch. Ours' orchestra was in attendance and supplied an excellent musical programme, and Mr. O'Neil also kindly consented to act as judge for the costumes.

The prizes were awarded as follows: First best dressed lady, Mrs. Harry Yates; gentleman, Mr. Brand; comic lady, Mrs. Leo Gaisel; comic gentleman, Mr. Phillips; best dressed girl, Irene Wolf; best dressed boy, Master Wolf.

Thanks are due to Mrs. Eldridge and Mrs. Taylor for their kindness in managing the ice cream and soft drink stall, also to Mrs. Eldridge for the donation of a huge pumpkin, which was used for a guessing competition, and was won by Messrs. Brown and Wale, who guessed the weight of the pumpkin to be 31 lbs., and the actual weight being 31 lbs. and one quarter.

Oil Fever in North

PRINCE RUPERT, B.C., Sept. 22.—The oil fever is still the Klamath Valley with prospectors and promoters. Land 40 miles north to 30 miles south of Terrace has been staked already and the rush goes on.

CHICAGO WOMEN IN BUSINESS

CHICAGO, Sept. 22.—Several Chicago women society leaders went into business for themselves today as their contribution to the new era for women. They announced the formation of two business enterprises, one an investment company and the other an advertising agency.

LONDON, Sept. 22.—Salvation Army

appointments include the name of Commissioner Hitchens, who goes from Eastern Canada to take charge in the state of Victoria, Australia, and in Tasmania. He will be succeeded in Canada by Commissioner Chas. Sowden.

TOONERVILLE COMEDY
"The Log of the Lavagier"
Showing Local Scenes of Victoria
Lyric Male Quartette

What's at the Playhouses?

ROYAL "The Child Thou Gavest Me," the John M. Stahl First National attraction, which has been entertaining capacity crowds at the Royal Victoria Theatre, will close its four-day engagement tomorrow. Manager Denham declares that the picture has been one of the most successful ever exhibited at his theatre, owing to the combination of a thrilling story, exciting suspense, an all-star cast and perfect direction. But, in spite of these attributes of a good picture, the manager found that the picture's greatest appeal has been little Richard Headrick, who, in spite of his three and one-half years, is in reality the star of the production. "The Child Thou Gavest Me" has greatly increased his list of admirers, who were won by his natural acting in "The Things of Destiny" and "The Woman in His House." In addition to the feature, "The Log of the Lavagier," showing some very fine local scenes of Victoria, will also be on the same programme, and with a Toonerville Comedy, and the Lyric Male Quartette singing "I'm Going Back to Dixie" and "The Soldiers' Chorus," an entertainment that will be sure to please is promised.

COLUMBIA A strong photoplay of
THEATRE love and action, "The
Hell Ship," opened a run
of three days at the Columbia Theatre
yesterday with beautiful Madlainé
Traverse in the stellar role. This
picture is made all the more intense

At the Royal Balance of Week

LEWIS STONE AND BARBARA CASTLETON
In "The Child Thou Gavest Me," at the Royal Victoria, Commencing Today
and Balance of This Week.

and thrilling by the fact that the entire dramatic action, the film plainly and at times most beautifully shows, takes place on board a fishing schooner and on a life raft in the waters of the Pacific Ocean and San Francisco Bay. Miss Traverse, the star, does some very strong work as Paula, the girl captain of a "hell ship," who subdues a mutinous crew, yet finds herself "miraculously" saved. The closing scene of the picture, involving the final sacrifice of the heroine, is as beautiful as a Turner painting. Such well-known players as Albert Roscoe, Dick La Reno, Betty Deaton, Jack Curtis, Fred Bond and William Hays are in the cast. The story was written by Denison Clift, and Scott Dunlap directed the play.

VARIETY Margaret Livingston, THEATRE who has a principal part in "The Hell Ship," Ince's second Associated Producers' special "Lying Lips," which is the attraction at the Variety Theatre again today, has a lead. Miss Livingston collects "shoo." "I have a shoe tree for every pair and I have nineteen pairs at present," says Miss Livingston. "I like to keep them looking nice, and I always wipe them off and polish them up as soon as I remove them. Need them? Of course I don't, but it's just a hobby with me. Anyway I think taking care of your shoes is an economy, especially in these days of high prices, and even if a woman didn't have so many pairs as I have, if she would have shoe trees for every pair and would take care of them as soon as she takes them off, they would last a lot longer."

CAPITOL Ethel Clayton is not the only "Clayton" appearing in "Wealth," the star's latest offering, at the Capitol Theatre this week; for Miss Clayton's thoroughbred dog, "Mimi," appears quite prominently in the early scenes of the play. "Wealth" is a dramatic story by Cosmo Hamilton, who wrote "Midsummer Madness," a great previous "Capitol" production. Herbert Rawlinson plays the idiot and spendthrift. And the cast is high grade as is expected in Paramount productions.

LITTLE Almost every seat was THEATRE filled at the Little Theatre last night, and, judging from the applause, the presentation of the farce "Niobe" was very popular with the audience. It is one of the objects of the Victoria Dramatic and Operatic Society to bring forward all the new talent it can, and in casting this play many who have not appeared before Victoria audiences were included. This, however, seems to make no difference to Mr. Reg. Hince, who has directed the play and who has been successful in presenting to the public a thoroughly finished production of such a high order, that it is every bit as good as any professional company. A special feature of last night's performance, which was well appreciated, was the rendering of several piano duets by Mrs. C. C. A. Venn and Miss Eleanor Macleod, L.R.A.M. These two artists are accomplished pianists, and when heard together it is a rare treat. There will be two more performances of this extremely popular play, and any wishing to take advantage of it should book their seats now, as accommodation is limited and there will, no doubt, be a heavy house for the last two nights. Seats may now be reserved at Kent's Edison Store during the day, or at the Little Theatre after 6 p.m. The performance starts at 8:30 sharp.

"OUT OF THE FOLD" IS ATTRACTION THIS WEEK

Princess Theatre Gives Admirable Performance Which Is Greatly Appreciated by the Audience

"Out of the Fold," the four-act comedy drama, which was presented by the Mildred Page Players last night, drew of gripping interest to the audience. The cast was large and presented their parts, without exception, with masterful talent.

One of the big features of the evening was little Miss Dooley, sister of the well-known Mildred Page comedienne. Little Miss Dooley gave her number, in conjunction with Miss Lily Dooley, with the ease and grace of an old-timer of the boards.

The play, although rather touching at times, was full of dramatic incidents, which the actors made very forcible. Mr. Harry J. Leland, the new director of the company, took the part of the old shepherd and made a great impression with his superior acting and the endearing role which he played. Mr. Allenn and Miss Page showed their usual ability and achieved their accustomed success by their splendid acting.

The members of the little school, which included Mr. Jason and Mr. Campbell, produced some splendid humor which carried the house into a state of almost hysterical applause. Mr. Thom also played an admirable

The Iron Food for Vitality

The Bread of Iron

—great food for all who work. Full of tender, luscious raisins, rich in iron and energy

A DELICIOUS bread is made with plump, tender, juicy raisins! It will be a pleasant change in your home from the regular plain bread.

The attraction lies in more than merely flavor.

For add raisins to your bread and "the staff of life" becomes a practically perfect food.

Rich in the food-iron of the raisin, and increased in energizing nutriment.

Food-iron fortifies the blood. True vitality depends on it. Men can't be efficient nor women nor

children retain the natural bloom of youth without it. So delicious raisin bread, great food for workers, is called "The Bread of Iron."

You need but a small bit of iron daily, yet that need is vital. Get it through raisins.

Have them in every other loaf of bread you serve.

Delicious raisin bread and raisins are sold by bake shops and grocers everywhere. Buy of them to save baking at home. Real raisin bread is made with lots of raisins. Insist on it. First-class bakers do not stint.

Stewed Raisins

Serve for breakfast every morning and get your daily iron this way.

Cover Sun-Maid Stewed Raisins with cold water and add a slice of lemon or orange.

Place on fire; bring to a boil and allow to simmer for one hour. Sugar may be added but not necessary.

Stewed Raisins contain 71 per cent natural fruit sugar.

Raisin Pie

Men are quickly refreshed at night by a dessert like this.

2 cups Sun-Maid Stewed Raisins

1 cup water

4 teaspoons salt

3 tablespoons lemon juice

1 cupmen sugar

1 tablespoon corn starch

Wash the raisins put in a saucepan with 1 cup cold water and bring slowly to a boil. Add sugar, salt and corn starch, which has been mixed with 1 cold water. Boil 5 minutes; add lemon juice. Pour in pie crust, while hot, cover; brush top with butter and bake in moderate oven until brown.

All measurements for these recipes are level.

"PECK'S BAD BOY" ON ROYAL SCREEN ALL NEXT WEEK

Jackie Coogan's whirlwind success in "The Kid" is now history. Millions have already laughed at his antics in the greatest Chaplin comedy yet released. That in "Peck's Bad Boy," which will be the attraction at the Royal Victoria Theatre all next week, the lad has already duplicated his former success is a further tribute to his marvelous talents. "Peck's Bad Boy" was recently given its Broadway premier at the New York Strand and the engagement was another triumph for the diminutive star.

Associated First National executives expect that the film version of "Peck's Bad Boy," the story having been read by millions, will be one of the most successful productions of the year.

"Peck's Bad Boy" was directed by Sam Wood. The humorous titles are the work of the great Irvin S. Cobb, and an excellent cast assisted Jackie, including Whigley Oakman, Boris May, Raymond Hatton, James Corrigan, Lillian Highton, Charles Hatton and Gloria Woods.

PORT MISSIONARY HAD BUSY SEASON

Between June and September Visited
Thirty-Four Vessels and Many
Sick Sailors

The following are some facts from the Port Missionary's report from June 11 to September 11, 1921, showing some of the activities in the various departments. Statistics taken from weekly log sheets show: Services held, 13; attendance, 128; vessels visited, 34; sailors' club, officers, etc., 27; hospitals, 13; visits to sick sailors, 408; visits to sick soldiers and civilians, not recorded; visits to families, 93; New Testaments distributed, 2; parcels of magazines distributed, 4; attendance at reading room, 151; letters received and written, 8; free meals, 8; seamen clothed, 1.

Two of the junior officers from R. M. S. Japan visited the Institute and became members of the Sailors' Christian Brotherhood. Ten of the crew spent the evening at the Institute.

On the N. Y. K. Suva Maru were found a goodly number of Philippine students, who were on their way to the Washington University for a five year course of study.

Five of the crew of the freighter Walrus (Australian flag) visited the Institute.

On board the N. Y. K. Fushimi Maru were found fifty Polish war orphans on their way to Chicago (Polish colony). On board, too, were three Russian carvers, as well as several Chinese merchants and students, whom the immigration regulations would not allow to land, so they would be deported back to their own country.

trails, doing well on the coasting boats. Captain Jones Evans was then in charge of the brigade.

On the Niagara, outward bound, came in touch with the Rev. H. C. Cooper, the superintendent of the Boston Street Sailors' Rest, Vancouver. He was on a two months' furlough for his health.

Thirteen boys from the Harrison liner Author spent an evening at the Institute.

When on board the R.M.S. Makura found a young steward, who was a returned soldier, one of the Black Watch. He was badly gassed. On the voyage from Australia he had a him up twice, but he recovered, and was himself again when he reached Victoria. The passengers, to show their sympathy, collected the sum of £235 sterling (first class), and £10 (second class). He hoped to get leave to go to Winnipeg for a few hours to see his parents.

The last few weeks were seasons of great anxiety to the parents of the young lads who were aboard the Canadian importer. Frequent visits were made to the families to give them hope and comfort. Engineer Brown is in St. Joseph's Hospital suffering from burns about the face and upper part of the body. When seen recently by the missionary he was resting comfortably and going on as well as could be expected.

The sick in hospital have been regularly visited almost daily. There are four in the St. Joseph's Hospital,

Ulcers on Both Legs

One so large that you could almost see the bone.

Now "Quite Healed."

Our portrait is of Mrs. SIDNEY, of 10, Station Road, Ash Vale, Surrey, England, who writes:—
"About four years ago I had a bad swelling on both my legs which kept coming and going. At last they got so bad that I had about thirty ulcers, one of which was so large that I could almost see the bone of my leg. The doctor who saw my legs said only one thing—do one good. I bought your 'Blood Mixture' and used it. I am now, mother, this will do you good. At once I commenced taking this medicine, and before I had finished the first bottle the ulcers began to get better, and after taking four bottles both legs were quite healed. Previous to taking Clark's Blood Mixture I could only walk with a very short cane, but only recently the surprise of my family and neighbours. I walked to London and back on my own feet—way to see the Military Tattoo."

Sufferers from Bad Legs, Abscesses, Ulcers, Piles, Eczema, Sore Throat, Rheumatism, Gout, Gravel, etc., can get temporary relief by the use of complete and lasting benefit from Clark's Blood Mixture. It is the true cause of such troubles. Clark's Blood Mixture quickly attacks, overcomes, and expels the impurities that is why it makes remarkable recoveries stand in its credit. Finest to take and free from injurious ingredients. Of all chemists and druggists.

Clarke's Blood Mixture

"Everybody's Blood Purifier"

four in the T. B. Hospital, and five in the Royal Jubilee Hospital.

Not only are our sailors visited, but our soldiers and civilians are not overlooked.

Dr. Holman called at the Institute. He was greatly interested in the report of the work done in hospitals and wrote the port missionary a very encouraging letter.

(Signed) T. WRIGHT HILL,
Port Missionary.

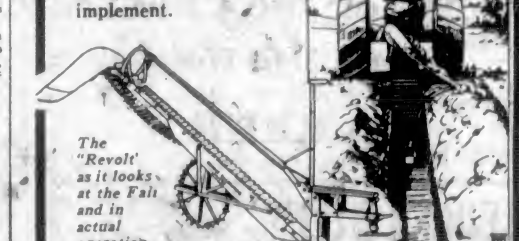

A Kentucky congressman won a bet by frying eggs on the steps of the national capitol one hot day in July.

LOUTH BY-ELECTION POLLING YESTERDAY

LONDON, Sept. 22.—Polling took place in the Louth by-election today. The contest, although interesting, has provoked little general concern. Sir Allan Hutchins, who is running as the Government candidate, avoids the term "coalitionist," preferring the term Conservative. Mrs. Wintlingham, widow of the late member, who is the Liberal candidate, owing to her husband's made no platform speeches. There is also a Laborite in the field.

This Machine Solves Farm Problems

"Sour" and "dry" soils are rendered productive by this simple and inexpensive British implement.

The "Revolt" Ditcher

See It at the Fairs

The Revolt attracted more attention at the New Westminster Fair than any other farming implement exhibited.

Why?

Because it furnishes the solution to the problem which the average farmer has been wrestling with for years—drainage and irrigation.

The Revolt is a simple and sturdy farm implement for digging ditches—from 1 inch to 14 inches wide and 2 feet 6 inches deep. It has no competitor—price considered, for its price makes it available in every community where drainage or irrigation is essential to successful crop producing. Write for full particulars regarding The Revolt to either of the addresses given below.

Sooke District Fair
Pronounced Best Yet

Energy and Ability of Women's Institute Contributed to Outstanding Success of Annual Harvest Exhibition

SOOKE, Sept. 21.—Sooke District Fair held its annual fall fair last Friday, and the event was an outstanding success. In the unavoidable absence of Premier Oliver, Mr. Robertson, Provincial Horticulturist, performed the opening ceremonies. The judging of the agricultural and horticultural produce was done by Mr. Parlow, of the Department of Agriculture. Mr. J. A. Turner acted as judge for dairy cows and dairy produce, and conducted a boys' and girls' dairy cow judging competition. The latter event was an innovation as far as the Sooke District is concerned,

and aroused the keenest interest among the children. The high educational value of such a competition was generally recognized. The prizes for the children were donated by the B. C. Dairywomen's Association. Mrs. Pierce was the able and amiable judge in the women's section, and of the children's exhibits. Particular mention was made at the opening of the fair of the numerous and splendid exhibits in the women's and children's section, and the success of the fair was largely due to the efforts of the women of Sooke District, and in particular to the ability and energy of the secretary of the Sooke Women's Institute, Mrs. B. J. Hawkins.

The following were the winners of prizes:—
Cattle
Dairy Cows—1, Mr. A. N. McNamara; 2, Mrs. A. French; 3, Mr. J. A. Murray.
Boys' and Girls' Dairy Cow Judging Competition—1, Jessie McKenzie; 2, Anna McKenzie; 3, Charlie Barbour; 4, Jean Nicholson.
Fruit
Best Collection of Apples—1, Mr. A. N. McNamara; 2, Mr. J. A. Murray.
Best Box of Apples—1, Mr. A. Reid.

TETLEY'S
Makes good TEA a certainty

Its rare fragrance and enticing flavor are the
result of over a full century of blending
experience.

Beware of
Tender Gums

Unhealthy soil kills the best of wheat. Unhealthy
gums kill the best of teeth. To keep the teeth sound,
keep the gums well. Watch for tender and bleeding
gums. This is a symptom of Pyorrhea, which afflicts
four out of five people over forty.

Pyorrhea menaces the body as well as the teeth.
Not only do the gums recede and cause the teeth to
decay, loosen and fall out, but the infecting Pyorrhea
germs lower the body's vitality and cause many serious
ills.

To avoid Pyorrhea, visit your dentist frequently for
tooth and gum inspection. And use Forhan's For the
Gums.

Forhan's For the Gums will prevent Pyorrhea—or
check its progress, if used in time and used consistently.
Ordinary dentifrices cannot do this. Forhan's
will keep the gums firm and healthy, the teeth white
and clean. Start using it today. If gum-shrinkage
has set in, use Forhan's according to directions, and
consult a dentist immediately for special treatment.

35c and 60c tubes in Canada and U.S. If your
druggist cannot supply you, send price to us direct
and we will mail tube postpaid.

NANAIMO NEWS NOTES

NANAIMO, Sept. 22.—The B. C. Telephone Co. are replacing the present pole line along Commercial Street with the conduit system. Yesterday a gang of men commenced operating, putting a trench through the pavement in which the conduit will be laid.

Mr. McDonald, of the Victoria arm of McDonald, Wilson and Wilburn, was in the city yesterday on business connected with his company, which at present is repairing the loading wharf of the Giant Powder Company at Powder Point.

The paving of Grace Street was completed yesterday by the Cotton Company. The firm is now engaged in making repairs to the paving on Commercial Street.

Mr. H. L. Hopkins returned yesterday from a business trip to Victoria, where he secured some of the fruit exhibited for the Agricultural Exhibition there. Mr. Hopkins, formerly of Victoria, is at present proprietor of the Crescent Fruitery of this city.

The local meeting of supporters of the National Liberal-Conservative party in connection with the forthcoming federal election will be held tonight. The business of the meeting is to organize for the campaign and to elect delegates for the nominating convention whenever it may be called. A large meeting of Government supporters, there will no doubt be a large attendance.

The recent heavy rain has converted Nanaimo's beautiful park into a veritable quagmire. Entering the park from Macleary Street is almost an impossibility. The recent heavy rains made the first, second and third greens so swampy that the public will be almost compelled to travel on the beauty spot for many days. In the event of more rain the park will be almost closed throughout the winter months. The park has almost regained its "winter grandeur" and it would be a decided loss if they were to become entirely inaccessible during the rainy season.

The co-ed Sunday school of St. Andrew's, Needham Street and Brechin will hold a Six Rally Day on Sunday next in St. Andrew's Presbyterian Church. The usual morning service will take place at 11 o'clock and the programme will be largely provided by the scholars. Robat, quizzettes and concerted singing and recitations have been arranged and all the children are keenly interested in the forthcoming service. Rally Day is designed to assist the work of the Winter's work both in Sunday school and in church. A short address will be given by the minister on "Loyalty." A large congregation is anticipated.

SIDNEY NEWS NOTES

SIDNEY, Sept. 21.—The Girls' Branch of the Women's Auxiliary of the Church of England is holding a card party and dance in the Berquist Hall on Thursday evening, commencing at 8 o'clock. Music has been arranged and a large turnout is hoped for.

The Sidney Parent-Teachers' Association held its opening meeting of the season this evening at the school. There was a fair attendance. Rev. T. Griffith was in the chair. Mr. Ramsey, principal of the school, was made an honorary president. Miss Orlington was put on the programme committee in place of Mr. Jones. Miss Christie was elected secretary-treasurer. In place of Mrs. Orlington a social was arranged to take place next Tuesday in the school to introduce three new teachers to the residents of Sidney.

Mrs. Alfred Critchley has returned from a visit up the island.

Mrs. Emmeline Pakhurst will speak on "Social Hygiene" under the auspices of the North Saanich Women's Institute next Wednesday evening in the Wesley Hall. The meeting is scheduled to commence at 8 o'clock.

The engagement is announced of Miss Edna Parkes, Sidney, and Mr. John Tierke, Port Angeles. The marriage will take place about the middle of October. Miss Parkes is the daughter of Mr. and Mrs. F. E. Parkes.

DOUBLE MAIL SERVICE
TO AND FROM SIDNEY

SIDNEY, Sept. 22.—From October 1 there will be a double mail service daily between Sidney and Victoria, according to information reaching Mr. W. H. Jones, secretary of the Sidney Board of Trade yesterday, from Mr. J. Dr. McIntosh, M.P. The boats will arrive at Sidney at 9 a.m. and 1 p.m. and will leave for the city at 10 a.m. and 7 p.m.

The Ladies' Guild of Holy Trinity Church, Patricia Bay, is busily engaged preparing for a country fair to be held in the Chris Church schoolroom, Victoria, on Wednesday and Thursday, October 12 and 13. The ladies will be pleased to receive any donations towards the fair.

SAYS LLOYD GEORGE
IS VERY POPULAR

Mr. Alexander Thomson, for Ten Years Britain's Parliamentary Secretary, Returns to Victoria

Mr. Alexander Thomson, who has been associated with the British House of Commons as Parliamentary Agent and Parliamentary Secretary for over ten years, and who was appointed as his chief organizer by Mr. Lloyd George when he formed his Government in 1916, has just completed a three months' lecturing tour in Manitoba and Saskatchewan under the auspices of the Dominion Shakespearean, and is back in Victoria visiting his daughter, Mrs. Llewellyn Oak Day.

When he was last here, Mr. Thomson had just arrived from England, and had very little opportunity of studying the people and conditions of this country first-hand, so that his observations along this line have quite an unprejudiced interest. Mr. Thomson, who is a Colonel in the army, expressed himself as highly delighted with his tour. It was his first visit to Canada, and this opportunity of getting so closely in touch with people living off the beaten track had proved a new and interesting experience.

"I never had any idea before, what difficulties a farmer has to face," he said, referring to some of the phases of the "back-to-the-land" movement as he had seen it in the Prairies during the last ten or twelve weeks. The hardships of farming could not be faced unless one had the temperament of the spirit and the gambler, when such things as the elements, the grasshopper, hail, rust, drought and other matters out of man's control had to be taken into consideration. The farmer often would not sooner get past one of these difficulties than he would be faced with another. He had the very highest admiration for the spirit which impelled them to "carry on" in the face of frequent setbacks.

Before he left England, Mr. Thomson received from Mr. Lloyd George a letter referring in very kind terms to the services he had rendered to the Coalition Government, wishing him all success in his tour, and expressing the opinion that the Canadian people would be interested in what he had to tell them about the "home country." Mr. Thomson said his experience had amply confirmed the Prime Minister's forecast, for he had found Canadian agriculture very appreciative and keenly interested in his tour. He had the very highest admiration for the spirit which impelled them to "carry on" in the face of frequent setbacks.

For Mr. Lloyd George himself I found everywhere the very highest admiration," states Mr. Thomson, who had intended giving little sketches of some of the other states of England, but the Prime Minister was with one or two exceptions, the man in whom the people of Canada seemed most interested. It seemed to him that what home party politicians and assembly at critics were shouting and snapping at Mr. Lloyd George's heels, the Canadian people took the wider view and admired the greatness of his achievement and the splendid and marvelous achievements on behalf of the British Empire. So far as he could judge, his audience had very little interest in other British statesmen.

Cordial Reception
Mr. Thomson also expressed himself as very highly pleased with the cordial reception which he had received from the large audiences which assembled at almost every place where he lectured, and with the warmly sympathetic sentiments manifested towards the homeland by British-born Canadians. Many of his hearers drove twenty or thirty miles to be to the "Mr. Thomson," but to hear an "Old Country" speaker, and assured him that visits from public men like himself were of the highest importance in maintaining the general interest in the Old Land in neutralizing anti-British influences and in stimulating non-British settlers and their families to place a high value on their citizenship of Canada and the British Empire.

Among the problems confronting Canada, Mr. Thomson thought, after his observations in the Prairie Provinces and in British Columbia, was the thorough assimilating into the national life of so many non-British colonies. He expressed himself as delighted with the generous and open spirit of the Canadian people and at their evidently widespread interest in their Provincial and Dominion politics.

In dealing with the subjects discussed at the Imperial Conference, Mr. Thomson said he had always in his lectures referred to the important part which Mr. Welsh had taken in the deliberations, and observed that his audience showed great appreciation of the democratic manner in which the Dominion Premier had safeguarded their national interests. So far as he could judge from his audience and from conversation with leading men, Mr. Thomson said that Mr. Welsh seemed to be popularly regarded as having made a capable and excellent Prime Minister, and as being the best man from the point of view of national progress and prosperity, to carry on the affairs of the Dominion.

One of the special pleasures of his tour, Mr. Thomson said, was the opportunity he had of meeting business and professional men when he addressed Canadian and Kwantlen Clubs. He also referred with much pleasure to a visit he paid to Dr. Charles Gordon ("Ralph Connor") at his summer home, and to the honor of taking the services on Sunday in his church at Winnipeg.

Spirit of Skeeters
Discussing some amusing experiences of his tour, Mr. Thomson produced a cutting from a Saskatchewan newspaper in which the reporter said that Mr. Thomson was a "masterful speaker. He held his audience all the way through his lecture, and that with swarms of mosquitoes trying to distract the attention both of the lecturer and his hearers."

Mr. Thomson said, in conclusion, that he was struck not only with the energy and courage, but with the cheerful optimism of the people on the prairie. He never felt greater admiration for any body of people than

Don't
Poison Yourself

When that troublesome little organ known as the "colon" is packed with indigestible foods it fills the bloodstream with poison. Keep the intestinal tract clean and healthy and the brain clear and active by eating

Shredded
Wheat

the real whole wheat food. Contains just enough bran to keep the bowels healthy and active and just enough other food elements to build healthy muscle and bone—all prepared in a digestible form. The most real food for the least money.

Two Biscuits with milk makes a nourishing, satisfying meal and costs but a few cents. Delicious with raisins, prunes, sliced bananas, peaches or other fruits.

for the brave pioneers of the West, who amid great hardships and discouragements had stuck to their posts and made good. It seemed to him that it was the spirit shown by these hardy pioneers which had made Canada, and he hoped that the same spirit would be so widely diffused that Canada would become more prosperous and attain a still higher place among the nations of the world.

business three days a week instead of two.

Local hunters were very fortunate last week-end, good bags of grouse and several deer being reported.

COMMISSIONER HEARS
PRAISE OF EXHIBITS

Fair Pleases Visitors to City—Saanich Exhibitors Get Fine Results in Short Time

Commissioner J. G. Thomson, of the Victoria and Island Development Association, states that he has heard most unqualified praise for the Victoria and Saanich agricultural exhibits from many of those who had met after they have attended the fair.

"It is the general opinion," stated Mr. Thomson, "that it is a very satisfactory showing that has been made by local people, and the Saanich exhibitors, Mr. Vantricht, Mrs. Slattery, Mrs. Dorcas and other co-workers, should be congratulated upon the splendid work done. They arranged their whole exhibit in four days and worked day and night over it. In fact their results would have gained credit had they been completed after four weeks' labor."

"This Saanich exhibit is a splendid example of what Victoria people and those of our immediate hinterland are able to do, and there is no doubt that, if the Saanich people had had a week to arrange their exhibit they would have held a higher place on the prize lists. As it is their work is entirely commendable."

"Visitors to this city," stated Mr. Thomson, "say that the fair is admirable, that they thoroughly enjoyed the exhibits and their infinite variety."
